CLEAR 100-VOLE MANDATE ACCORDED CONTESTANTS

Mr. W. G. Jackett, who has spent six years as a member of the Ward Council, was Tuesday elected two—Curtis 71, Jackett 126, Reeve of Penelon Falls. Mr. Jackett defeated Reeve Jack Curtis by 100 votes in the annual municipal election.

Curtis totalled 50 with 98 poll before his opponent. Ward Council qualified another contest.

Ward Three—Curtis 81, Jackett 68. Total number of votes cast—Curtis 302, Jackett 302.

Meeting Needed

As only two members of Council qualified another contest, an invitation meeting to name two further candidates for the office in 1960 will have to be held. It was disclosed in the morning that the probable date of the meeting will be Dec. 21.

She reached for her over shoes...

In keeping with that thought this year from New Year's Eve to Christmas, the prospect of being short of rubbers and over shoes in the coming winter. They're feeling their job loss.

After reading about the several pairs already reported stolen, a Lindsay lady says she was feeling secure in the belief her shoes were safe until they went to out last evening. Stepping into the upstairs hall way outside her apartment she automatically reached down for her over shoes and caught a handful of nothing. Thinking she had just misplaced them, she decided to just wear a pair of rubbers but there were no rubbers either.

Both rubbers and over shoes had been stolen!

Colorful North Bay mayor takes on a new challenge

Formerly of Lindsay, he'll contest a township council seat

A colorful figure in the world of municipal politics, and a hard-driving North Bay mayor got his first taste of Lindsay politics at Lindsay when he was elected to the Northern Ontario Mayor's Commission. He is credited with having forced an improved rate structure while here by exposing what he considered was an unwarranted surplus in commission fees that his M.P. home funds.

She reached for her over shoes...

In keeping with that thought this year from New Year's Eve to Christmas, the prospect of being short of rubbers and over shoes in the coming winter. They're feeling their job loss.

After reading about the several pairs already reported stolen, a Lindsay lady says she was feeling secure in the belief her shoes were safe until they went to out last evening. Stepping into the upstairs hall way outside her apartment she automatically reached down for her over shoes and caught a handful of nothing. Thinking she had just misplaced them, she decided to just wear a pair of rubbers but there were no rubbers either.

Both rubbers and over shoes had been stolen!

Miss F. King Guest Speaker At Wl Meeting

Wednesday (P.M.S.)—The November meeting of the Woodville W. I. was held at the home of Mrs. Stanley Murray with 21 ladies present and the president, Miss Joyce Westlake in the chair.

Meeting opened with the singing of the Ode and repeating the Lord's Prayer in unison. Roll was called. Minutes of the last meeting were read and approved. Treasurers and Remembrance Committee reports were given. Correspondence was read and dealt with.

In connection with the T.R. clinic to be held here in the near future the W.I. are sponsoring a prize for the best letter made by a school child. A splendid paper prepared by Mrs. Jarvis Stoddart on "Medicine" was read by Mrs. W. Bayes.

The motto for this meeting was "If you have health, you have hope. If you have hope you will have everything."

Mrs. Stanley Murray made the following comment on the motto. "The other day I was present at a quilting and heard the usual "oh"s and "ouches", as the needles went a little farther than the lining of the quilt. Someone said "It's wonderful how nature heals over bumps and bruises." And then someone else said, "Ladies did you ever stop to think of the restoring power of a good night's sleep?" This conversation brought to mind the motto for this meeting.

Buoyant health is not a free and easy gift of nature. It is a prize often and easily lost. It is like a sum of money in the bank, which will support you if economically spent. We are inclined to spend foolishly and draw on the principal. With health, everything is a source of pleasure, without it, nothing is enjoyable. It follows that the greatest of follies is to sacrifice health for any other kind of happiness. Health gives us cause to wax on each morning with a smile. Cause to greet the day with reverence for the opportunities it contains and approach our work with a clear mind. If we have health we have hope, which may be defined as the faith that there is no happiness which hope cannot promise, no difficulty which it cannot surmount, no grief which it cannot mitigate. Hope is the wealth of the poor, the health of the sick, the freedom of the captive and the rest of the toiler.

As we enjoy our health, let us rejoice in hope, and when we have hoped to the end of here, God will give us something to look forward to for all eternity. For hope abides, etc."

Mrs. Davies then read Dr. R. W. Young's article from the Reader's Digest, "Why do good people suffer?"

Master Bruce Benson played a piano solo after which Mrs. Murray introduced the guest speaker, Miss F. King, who spoke on T.R. and T.B. clinics. Miss King is also a concert pianist and delighted everyone with a piano selection.

Mrs. Westlake thanked Mrs. King for her address. Mrs. Murray for the use of her home and the committee in charge of the program.

Meeting closed with all repeating the Mary Stewart Coleridge.

A delicious lunch was served.

STORM SPREADS DEATH, DESTRUCTION
 A storm raging in and around Western Europe is scattering death and destruction at widely separated points. The latest death count is at least 34. Nine days of floods and storms in Italy have killed at least 20 persons—the worst single effect of the storm. Three soldiers were killed in last night's crash of a storm-battered plane in Algeria. Reports of death and missing are coming from Denmark, the English Channel, and particularly across the Mediterranean.

PUBLIC SERVICES
 Public services from air traffic to garbage collection—are paralyzed throughout France by a strike of communist government employees in a protest over government refusal to meet wage demands. The strike started at 12:01 a.m. Paris time, and will end tonight at 12:01 a.m. Mailmen, customs inspectors, telephone operators and other public service workers joined the walkout.

ALL-TIME PRODUCTION RECORD ITS GOAL
 A private statistical agency says the American auto industry is making plans for an all-time production record in the first three months of 1960—if another storm doesn't interfere. West's automotive reports says the industry is scheduled to produce more than two-and-one-quarter million passenger cars in the first quarter of next year, ... a five per cent increase over the first quarter of 1958, when 2,129,000 cars were built.

ADENAUER MAY WARN D'GAULLE
 French diplomatic sources say West German Chancellor Adenauer may warn President De Gaulle that NATO might collapse if France pulls out any one of its armed forces. Adenauer is meeting with De Gaulle this morning in Paris to discuss the collapse of NATO. The Coming East-West summit conference and European union policy. Adenauer will fly back to Bonn this afternoon.

"POLIO IS NOT LIKED"
 The developer of a live virus polio vaccine says it is the responsibility of the U.S. National Foundation to fight against the disease. Dr. Albert Sabin said in Cincinnati that more than 8,000 cases of paralytic polio were reported in the nation this year. "Polio is not liked ... there's still a lot of work to do."

LAST SHIPS FLOW THROUGH SEAWAY
 The fall end of the season's last couple of ships to go through the seaway before the winter freezeup plowed through this ice towards the St. Lawrence River today. Seaway officials say the last ship is expected to travel Montreal—the eastern entrance to the 139-mile waterway—sometime tonight.

ON TRAIL FOR FRAUD
 Toronto millionaire Benjamin and Harry Smith—who are active in Toronto and Havana—went on trial in Toronto yesterday to charge back and forth. Some \$52,000 and four bags of stocks are involved. The pair pleaded not guilty.

CALM DURING MURDER HEARING
 The trial of 32-year-old Raymond Cook of Stettler, Alberta, charged specifically with the murder of his brother got under way yesterday in Red Deer. The bodies of his father, the accused step-mother and five children were found in a grease pit at the family garage on June 28th. Throughout yesterday's proceedings Cook maintained his outwardly calm appearance.

POOR CHOICE
 Britisher George Mortimer was convicted of fraud in a London court yesterday. The prosecution's case was proved. Mortimer had posed as a policeman and "arrested" the first lady-looking victim he could find. His chosen victim was a plain-chlothe detective.

Architect Includes Family Room In Three-Bedroom Bungalow

Inclusion of a family room in a house of modest size is an interesting feature of this three-bedroom design by architect Ronald Whitley of Don Mills. As well as providing a play area for children the room ensures good marital relations.

The buxom exterior of the house is the smaller wing of the house. A wide roof overhang protects both the main and rear entrances and allows the two living-dining room windows. There is ample closet space with two linen closets and a clothes closet in the family room in addition to a large one at the front entrance.

The total floor area is 1,042 square feet and the exterior dimensions are 34 feet, eight inches by 43 feet, six inches. Working drawings for the house, known as Design 234, may be obtained from Central Mortgage and Housing Corporation at minimum cost.

FACTS for FARMERS

Some news of special interest to our farm subscribers

Editor Lauds Extension Engineers

Lane Palmer, managing editor of the world's largest circulation farm magazine, Farm Journal (circulation: 2 million), thinks Ontario's Agricultural Engineering Extension Specialists' setup beats anything he has seen in the United States. "We've been trying to promote the idea of engineering experts in the field for a long time in the Farm Journal," said Palmer to some of the Ontario Department of Agriculture's engineers last week, "but so far the only one I've seen in North America is Yours."

Palmer, in Ontario to address the annual meeting of the Canadian Farm Writers' Federation, felt that agricultural engineering extension experts in the U.S. stay too close to experimental stations and colleges. His view: They aren't in contact enough with farmers to help them as much as they might.

The Ontario Department of Agriculture employs more than 20 of the specialists and most of them are located in the Agricultural Representatives' offices. Farmers with problems

of conservation such as terracing, drainage, and farm ponds, and also of remodeling farm buildings first contact the Agricultural Representative who then puts them in touch with the engineering specialist who can best handle their problem.

"I like the idea of advice right on the farm," said Palmer. "The engineer has a better chance to size up the individual problem."

Cemetery Board Plans to Build Burial Vault

Haliburton (PNS)—The District Cemetery Board met with the following members present: Reeve Nicol, Councillors Sisson, Feir, Roy Brom, Clifford A. Kellett with Boyd Austin as secretary.

The Cemetery Board approved the awarding of a contract to Yves Sicard to construct a burial vault at the Haliburton Evergreen Cemetery.

The building is to be constructed on the same site where an excavation was made previously, but as a protest was made, it was filled in a gain. All members voted in favor except Councillor Feir who registered a nay vote. The Ontario Dept. of Health and the Municipal Board have given the council authority to turn \$3,000 over to the Cemetery Board for the construction of the building. The actual cost will be \$4,077.50. This means that the balance will be raised by public subscription.

FULLER ANXIOUS FOR TITLE BOUT
NBA world middleweight champion Gene Fullmer wants a shot at Archie Moore's lightweight crown with Fullmer keeps his title Friday night in a return fight against Mike Weir of Chicago. Though the middleweight champion must scale no more than 160 pounds—the middleweight limit—for his bout with Weir, he says he could "weigh about 167 pounds to Moore's 175." He admitted that giving away some eight pounds to Moore would be a handicap, but considered that his comparative youth—he's 28—against Moore's 45 and 46 years would more than offset the weight difference.

UNPOPULAR DECISION

An American and a Cuban went heavyweight bouts in London last night. Cuban Nine Valdes scored a technical knockout over Brian London then his opponent failed to answer the bell for the eighth round because of a cut over the eye. Mike Delon of Syracuse, New York scored an unpopular 10-round decision over Dick Richardson of Wales.

VETERAN SOUTHPAW MAY JOIN YANKIES

The top rumor at the baseball meeting in St. Petersburg, Florida, involves the Milwaukee Braves and New York Yankees. It's reported that veteran southpaw Warren Spahn of the Braves will be sold to the Yankees for infielder Ed McGooden and veteran outfielder Hank Bauer.

REJECTED PRESIDENT

Frank Stagnogna's name has been rejected president of the International League. His three-year term will extend through December of 1992.

OLIMBEDO TURNS PRO.

D. De. Cup star Alex Olimedo has joined the professional tennis ranks. Olimedo, a senior at Southern California, signed a contract with promoter Jack Kramer which could earn him almost \$100,000 in the first year. Olimedo will join Kramer's group in Australia for two weeks later this month before returning to school.

OUTSTANDING HIGHLIGHT

Billy Cannon—Louisiana State All-American half-back—has won the Heisman Trophy at the U.S. outstanding college football player. Cannon was far ahead of Richie Lucas of Penn State and Don Meredith of Southern Methodist in the balloting.

"SILVER SPON" NAMED TOP FILLY

The U.S. Thoroughbred Racing Association has named C. V. Whitney's "Silver Spon" as the champion three-year old filly of 1989. Silver Spon won in the Santa Anita Derby and placed fifth in the Kentucky Derby.

BRAVES TO PERFORM "SNOW DANCE"

The official theme of the 1990 Winter Olympics at Squaw Valley, California, have a problem — no snow. But there's a chance that an Indian Chief and his tribe can help out. Chief Harry Wintunneka and 12 of his braves are going to perform a "snow dance" in an effort to bring some snow to the area. The Winter Olympics are scheduled for February 18th.

Charnley Out to End Nine-Year Run of Unsuccessful Challenges

Ranked fourth in the NBA ratings, Dave Charnley of Dartford, Kent, will be out to end a nine-year run of unsuccessful challenges by British contenders for world boxing crowns when he steps into the ring against world lightweight champion Joe Brown, at Houstons on Texas tonight.

The 24-year-old blemishmaker from Dartford, Kent, is the first Briton to enter an American ring against a champion since Brian London was stiffened by Floyd Patterson earlier this year, a short time before Patterson himself yielded his heavyweight crown to Ingemar Johansson's shattering right hand.

Charnley's five-year professional career suggests better prospects than those of London or Bobby Nell who led two minutes against Davey Moore, the featherweight title holder, in a non-title bout in England last month.

Good Record

Charnley boasts a non-title decision over welterweight champion Don Jackman and has beaten such classy lightweight as Guy Gracia of France and Willie Towse of South Africa. By contrast, London, who had won his first title, was when he was fined £1,000 for fighting Patterson against the orders of British boxing authorities. Charnley carries the blessing of the British Boxing Board of Control.

The last British world champion was Randy Turpin, who took Ray Robinson's middleweight crown at London's Earls Court arena in 1953 and held it just six weeks before Robinson won it back.

Among the unsuccessful challenges since then was Don Cockell, who fought gamely, but hopelessly for Rocky Marciano's heavy title, bantamweight Dai Dozier, a two-minute victim of Argentina's Pascual Perez, and featherweight Peter Kosman, who lost a close decision to Vic Toweel.

Doing Better

Recently British boxers have done better against high-rank first American opponents. Zora Foley was the No. 1 heavy, weight contender last year when he was outboxed by Henry Cooper, the current British champion.

London, although outpointed by the clever Willie Post when the latter was ranked No. 3, went on to knock him out in a return contest.

But Britishers were dampened when London shuffled helplessly around the ring for 11 rounds last summer before Patterson managed to put him away.

Prestigious Britons are pulling strings for Charnley to wire out the distasteful mystery by climbing out of the ring with a world title.

Young Adults Plan Pageant

Young Adults of Oakville — The 5th Church met for the Nov. 26th meeting.

The worship service was conducted by Lloyd and Doris Graham.

Carl Richard, president of the business session. The collection was taken. The minutes of the last meeting in English were read and approved. A discussion followed in regard to redecorating the primary committee at the Sunday School. A committee was organized to look into the situation and have prepared a statement in regard to the appropriate cost. A nominating committee was put in to prepare the slate of officers for the next meeting.

A discussion followed about the Christmas Pageant which will be presented in the church on Sunday December 20, at 8 o'clock. Games were played and a delicious lunch was served by the Grahams and the Wilsons.

On The Farm Front

NEW PEACH VARIETY DEVELOPED BY DEPT. OF AGRICULTURE
An early - ripening peach variety, Royacve has been developed by the Horticultural Experiment Station at Vineland. Named in honor of the visit of Her Majesty the Queen to Canada this year, Royacve will be one of the few fruit varieties developed by this Ontario Dept. of Agriculture research station whose name ends in "yee" rather than beginning with V (for Victoria). It is largely the result of work by research scientist O. A. Bradt.

Royacve is much earlier than any of its parent or grand parents, all of which ripen in mid - season. It will compete in season with Goldray, maturing two weeks before Red-haven. The last two seasons it has ripened three to four days before Sunburst. The fruit is medium - sized and bright all-over red in color. The flesh is bright yellow, fairly firm, slow oxidizing and of good quality. It is classed as a semi-freestone but will come reasonably free at full maturity. Trees of Royacve are very productive, and like Veteran,

require heavy thinning in most seasons. Nine full crops in succession indicate hardiness in bud and ability to set fruit under adverse conditions. The bloom is large and showy, similar to Veteran, and the leaves have kidney-shaped glands. It is self fruitful. Several growers have bearing trees of Royacve and they are enthusiastic about its performance. A number of Ontario nurseries have been propagating it, but trees will be in short supply until 1961, advises W. H. Uphill, Director of the Horticultural Experiment Station.

A revision of a bylaw which has been a source of considerable discussion for a number of years was adopted by Lindsay's Town Council, at a special meeting Monday evening.

On motion of Deputy-revee Pearce it was moved that the bylaw covering pensions for town employees be revised, so as to permit refunds to employees who have left the town's service.

Deputy-revee Pearce said this problem had been one holding the town back for about six years now.

Mr. Pearce also recommended that in the case of "one very valuable employee—Mr. W. A. Alley—a change should be made in order to have the amount payable to him be made up to him by the town. Clerk upon his retirement \$700 a year might be set aside as presently constituted in the law.

In answer to members queries, Mr. Pearce stated that what is intended is that each year when the budget is being set the sum of \$700 would be set aside for payment to Mr. Alley.

Councillors Hunter and McQuarrie and Councilor W. A. Pearce's turned over to the finance committee for study. It was stated that the deputy-revee's suggested figure of \$700 a year might be reduced to \$500 as the town is at present paying a motor inspector Ralph Lawlor a pension of \$1,000 a year.

Add Some Superphosphate To Manure Says Scientist

Why add superphosphate to manure?

For three reasons, says O. A. C. soils scientist, W. L. Campbell.

"First, one-half of the nitrogen in manure is changed to ammonia gas. Superphosphate in the manure prevents ammonia gas from being lost. Second, the nitrogen in fresh manure and prevents ammonia loss," says Campbell.

Third, the reason is that manure is an unbalanced fertilizer containing 10 pounds of nitrogen, 10 pounds of phosphorus and 10 pounds of potash per ton. If you add 20 per cent superphosphate at 1 pound per ton, you will balance the manure out to a 1-1-1 ratio.

Failure to name new member affecting work of committee, Mayor tells his councillors

"The failure of a new member to be named to the next regular Council meeting is seriously affecting the work of this committee," Mayor Love Burrows declared at Monday night's meeting of Town Council.

Members learned that no letter has yet been received from Mr. D. Caruthers regarding his future intentions with regard to carrying on as a member of the committee.

Coun. Peter Acheson suggested the Lindsay and Oyster Bay Planning Board, submitting names of candidates for the planning board.

Woman hurt crossing street, being treated at hospital

Miss Gertrude Hughes, 43, Eglon Street, Lindsay, is recovering in fairly good condition following an accident at the Royal Victoria Hospital where she is detained with possible head and injuries.

Miss Hughes sustained the injuries when she was knocked down by a motor vehicle on Kent Street late Monday evening.

Keep your overshoes on!

Keep your overshoes on! That's good advice according to Lindsay's police who are warning motorists as a rash of overshoe thefts are reported.

Following the theft of eight pair of overshoes from the entrance hall at Cambridge St. United Church during Sunday morning's service, it is reported that a pair of women's rubber overshoes were stolen from the porch of a North Ward residence Monday evening.

Police said the loss of the eight pairs of overshoes was reported to the department shortly after Sunday evening's service. They had been taken from the Bond Street entrance hall while the service was in progress.

Retail merchants support findings

Toronto, Dec. 2 (UPI)—The Retail Merchants Association of Canada has come out in support of the Royal Commission findings on price spreads and profit margins.

The Association said in Toronto that it feels there has been too much ginning and gaping in price spreads and profit margins.

portion which used steam for motive power—the steamboat. A Toronto historical researcher was in Lindsay last week making extensive enquiries about inland navigation on the Kawartha Lakes. Representing a youthful Toronto historical society, the visitor was engaged in trying to secure good photographs and information which once piled the waters. While he stressed that the society he represented didn't intend to publicize the facts from the scene in these parts and though it is gone it is not regretted. Reference was made to another early mode of transport.

Obtained under age 21, \$100 fine imposed here

A warning as to the penalty future offenders might incur, was given by Magistrate R. I. Moore in Lindsay Magistrate's Court, Monday evening, after fined 18-year-old William Fitzpatrick, of Downesville, \$100 on a charge of obtaining liquor under the age of 21.

The magistrate told the accused he would impose this fine because the accused had not satisfied him as to where he got the liquor.

Police Constable Ross Bailey told the court he was summoned to an apartment on Kent Street at 1.45 a.m. Saturday where a party was in progress. "On the second floor stairway I found the accused in an intoxicated condition," testified the constable.

The officer said he had observed someone at the dance occupants of the apartment and the apartment.

"fast," because the amateurs have borrowed the apparel the champions wear.

This includes stretch skirts fitted like a second skin, quilted parkas, racer's helmets, gloves, knickers, even patterned knee socks.

Even the ski dandy, there are parks in red or lake fur — tapestried cottons and capstayed velvets. Tapestry brocade are used for after ski pants. And, a leading ski wear designer, used capstayed velvets for ski pants.

Another, with long but soft natural bristles is designed as a heavy moirai and cotton blend.

Some skiers settle for a jersey helmet or hood for the head, but some wear hats, even several variations of an all-over head covering or mask.

PAID FOR **Will no cure for drunkenness, may legislate for treatment**

Toronto, Nov. 28—(UPI)—Ontario legislature observers believe new sweeping laws may be brought in to curb drunk driving. The bill would allow police to take a driver's license away if the driver is found to be under the influence of alcohol.

It is estimated that about 10,000 drivers now form half of the total population.

Kelen Roberts met with 20 Jurists, Welfare Researchers and alcohol researchers and said it was agreed that jail sentences are not a cure for drunkenness. He said it was believed that treatment of alcoholics at the beginning of the sentence, a reversal of the present policy where alcoholics are sent towards the end of their sentences.

Says industrial traffic relief urgent need

A bridge across the Scugog River at Colborne St. is going to be considered by next year's council. That's the chief of Con. Gordon Pepper as expressed at last week's nomination meeting in Lindsay.

At the last regular meeting of Lindsay's council, Mr. Pepper proposed that the bridge on Colborne Street be straightened out and a new approach from Lindsay St. north be constructed.

Mr. Pepper said there was an urgent need for a bridge at this particular section of town to help relieve congestion in this heavily industrialized area of town.

Many Council members have recently voiced the opinion that there is a very serious need for improvement in the area of town to alleviate the serious traffic problem.

Report thief robbed baby of blanket

A new law in 'mean' thieves is reported to have been recorded in Lindsay.

The incident came to light when a mother came into a local store to find her baby boy had been robbed of his covering while he slept in his carriage.

She says she is glad her stay in the store was brief because the day was cold with a strong wind blowing and snow falling.

Lindsay police are reported to be investigating.

RMH Governors may appoint asst. director

85 employed on hospital project here

The total work force employed on the new addition to the Ross Memorial Hospital covering all trades is now 85.

Progress report from Clerk of Works G. J. Edwards, revealed that the concrete in the slab roof of the addition and connecting link has been poured.

The roof of the addition house is also being formed. Board members learned that the weather will have a bearing on the completion date of the work.

The brick work has been completed to the second floor level on all sides of the house except the connection link, and the southern half of the west elevation, the project disclosed.

Unavoidable delays in the delivery of mechanical equipment for the boiler room will mean a postponement in the starting up of the boiler.

Originally it had been hoped to start the boilers next month. Installations by the plumbing and heating contractors is progressing satisfactorily menbers were told.

Mr. Wellington Falls was in Toronto visiting with relatives during the week.

Several weeks ago Verne Mulligan purchased the Canadian National Railway station and dwelling at Lindsay, and is now engaged in tearing down the building. This station was built in 1911-12 during the construction of the railway through from Peterboro to Port McNichol and served as a junction on the main line. For several years it was just known as "The Junction," later named "Dunlop" in honor of James Leonard of Bethany who had become a divisional superintendent. As there was always a station of this same name the spelling was reversed to "Dunlop".

Correction

WRONG THURSTON
It was incorrectly stated in Friday's issue of "The Post" that 11-year-old Ronnie Elliott had been severely injured when he fell under the rear wheels of vehicle being operated by Mr. Lloyd Thurston of Dundas, Ont. The name of driver should have read Mr. Lawrence Thurston. The error was caused as any inconvenience caused Mr. Thurston.

Verulam Township Council Meeting

A meeting of the Municipal Council was held with all members present. The Reeve Mr. Kennedy occupied the chair.

The Council was informed that the report of the Ward of Revision results, of a previous sitting that the assessment on the Beehive Farm Motel and House which was lowered should have read (business) the property assessment remains as follows: Motel - \$3500.00 House \$2500.00.

Correspondence was received from the following: Mr. J. J. Moore, re: the building of a cottage where the regulations as set forth in By-law 1986 had been ignored. From Mr. G. W. Mowatt re: a mistake in his assessment. The Dept. of Municipal Affairs enclosing cheque of \$1,980.00 being the last instalment of the Unconditional Grant for 1989. A resolution to the Ontario School Trustees and Ratepayers Association for membership.

Council reported on the inspection of the subdivision road (Plan 341) which is in a very poor condition. After some discussion it was decided to allow the owner Dr. Taylor the use of some of the equipment of the Twp. at a reasonable cost if he wishes.

The clerk was instructed to again write Mr. Jackson of Essex Park with reference to the clearing up of the right of way in front of his cottage.

Miss Mary Cosh called on Council to request a grant for the year and to solicit a grant for the year \$1989.

On motion of Mr. Robertson and Mr. White Council gave the Mayor the usual Grant of \$50.00.

Mr. S. McLarnon a resort operator in Thurstonia had written the Clerk asking that the request to return the portion of his taxes, owing to the fact that a fire had destroyed some of his buildings in 1988.

It was moved by Mr. White and seconded by Mr. Robertson that due to the fact that Mr. McLarnon had used the new cottages he built in 1959 and was not assessed for same he be better off to quite an extent, so the clerk be advised to write Mr. McLarnon to this effect.

On the inspection of Council and Clerk of the newly built cottage as mentioned previously the Clerk was instructed to advise the owner that he must comply with the Building By-law in regard to face court proceedings.

Records in the amount of \$223.25 was passed for payment on motion of Mr. Robertson and Mr. Platt.

General accounts in the amount of \$237.56 were paid for payment on motion of Mr. White and Mr. Ward.

Council then adjourned.

Penlon Falls—Following the short illness of the late Mary Jane Jenkinson occurred at her home Nov. 23, Congestion 2, Venular Township, on November 8, 1959. She was in her 88th year. Five children mourn the loss of their mother. They are: Jim of Peterborough, Tom and Anne (Mrs. N. Miller) of Penlon Falls, John and Mary, residing at home. Four sisters and one brother predeceased.

The late Mrs. Jenkinson, formerly Mary Jane Powell, was born in Verulam Township and attended Penlon Falls Public School. On October 29, 1900, she was married to St. Alvisius Roman Catholic Church to Thomas Jenkinson, who predeceased her in December, 1956.

She was a member of St. Alvisius Church and an honorary member of the Catholic Women's League.

The funeral service was held at the family residence on November 18th at 9:30 a.m., conducted by Father C. Kav.

The pall bearers were: Harry Dugan, Basil Fairman, Jim Dugan, Tom Cock, Adrian Marks, and Jack Fairman.

Interment was in the Catholic Cemetery at Verulam.

Many floral tributes and many cards were received showing the esteem of relatives and friends.

Those from a distance who attended the funeral included Mr. and Mrs. Basil Fairman and George Fairman, Mr. and Mrs. Jack Stafford, Mr. Charlie Neill, Mr. and Mrs. Adrian Marks, Mrs. Leo De Roche and Miss Anna Marks, all of Toronto; Mr. and Mrs. Bill Jenkinson and Son Douglas of Ottawa; Mr. and Mrs. James Enkinson and Nadine of Oakville; Mr. Jack Jenkinson of Jim Taylor of Peterboro.

NAME OMITTED
The name of the ladies who served at the Women of the Moose Tea held in the City of Guelph, was omitted in error from the account of the event, which was published in this paper. The omission of the name of Mrs. Harry Griffin is regretted.

Records in the amount of \$223.25 was passed for payment on motion of Mr. Robertson and Mr. Platt.

General accounts in the amount of \$237.56 were paid for payment on motion of Mr. White and Mr. Ward.

Council then adjourned.

NOTICED... along the way

HAT
There are certain words in the English language which sometimes get tangled up when they appear in print. It is no uncommon for the word "plague" to find itself in the position unless great care is exercised by those forces which combine to turn out the printed word. Should anyone along the line become just a shade careless, it sometimes develops that an announcement appears to the effect that someone has presented someone with a 'plague'... Now, no one wants that sort of thing to get around to them. "Perform" is another word which occasionally get garbled and comes out "perform". This is especially interesting where it concerns marriages and it is noted in the account of the wedding that the minister performed the ceremony. The legal profession takes a dim view of the "perform" appearing in print at statute and vice versa.

... They don't like the idea of people confusing law with gross images and vice versa.

At least twice in the past few days it has been noted with interest in medical circles that influenza is getting confused with chimneys in the pages of the public. This stems from the fact that the word "influenza" has been noted that 'flu' came in print as 'flue'.

Both words have something in common when it comes to drafts Thurston.

But there the association ends

Recent developments in the conquest of space by man have brought in bold attempts at flying which were met with a marked degree of failure.

A former resident of Penlon Falls says he recalls an expedition into space which ended after a short flight from a road to the baryard below.

According to eyewitnesses, this man with an ambition to fly got himself a couple of goggles, climbed atop a nearby road and took off.

He didn't flap his wings hard enough or he just lacked the knack but he is reported to have come down faster than he went. The consensus of opinion among those who were present for the occasion was that this man was no goose even though he was decked out with a pair of goose wings.

Lindsay's Community Chest has now reached to \$12,700 mark. The 1959 objective is \$16,000.

FENELON TOWNSHIP COUNCIL ACCOMPLISHED

Outlook For Farm Prices
The latest issue of Ontario Farm Business, published by the Ontario Department of Agriculture, divulges the following information in its outlook for products.

Beef Cattle: Canadian prospects are at least as good as in the U.S. The price of beef cattle numbers are almost the same as last year, the average of exports of 1959 have fallen off, and Canadian prices have advanced \$2 to \$3 relative to U.S. prices. Beef cattle are likely to be only slightly weaker in 1960.

Hog: Canadian prices are likely to remain at the floor of \$23.65 until deficiency payments are introduced on January 11. Some dislocation is likely at that time, the market price would be considerably lower for some months after January.

Butter: At end of September stocks were up 20 per cent, home consumption was down 4 per cent in 1958 and 8 per cent in 1957; Margarine consumption was up 5 per cent in 1958 and 10 per cent in 1957. Price support at 64 cents.

Cheese: Stocks are down 8 per cent in U.S. market is strong. Present prospects in U. K. and thus in Canada are good.

Skim Milk Powder: Stocks are becoming manageable with subsidized exports and a slight surplus. The market is likely to be fairly stable, though perhaps with spray powder weakening.

One of the best yet, Santa parade reaction

Lindsay's traditional Santa Claus parade held Saturday night was the best yet, the parade to have been one of the best staged here in a number of years.

Santa, his Yuletide robes all dusted off, arrived drawn by eight reindeer. Proceeding his sleigh, a number of brightly decorated floats paraded through the main streets of town to the accompaniment of the large crowd on hand.

Heading the parade was the Lindsay Kiwanis Band. Following the band came floats depicting over-topped nursery rhymes. The floats were manned by the members of the club Kiwanis Club and Moti's Auxiliary of the Kiwanis Boys Band.

Candies and hot dogs were distributed along the route by the above organizations.

Following the parade, groups in the procession, those depicting the Pied Piper and the group of Chinese Oriental.

Immediately following a trial playing "The Saints", came a float sponsored by the Kiwanis Club, the float adorned with red candies and balloons at the store. It was later learned that both items were quickly snapped up by youngsters within minutes of the conclusion of the parade.

The Lindsay Bakery, First Lindsay Club Pack, Scott's Paint and Wallpaper and Geo. H. Smith's Hardware and the organizations entering floats in this year's parade.

Following the parade, Santa made his way to the Ross Memorial Hospital where toys and candies were presented to children there.

Pleasing Exterior and Interior Design Combined in Modern Three-Bedroom House

A detailed architectural rendering of a modern house. The house features a large glass door and a wooden deck. The rendering is in a sketchy, artistic style with cross-hatching for shading. The house has a flat roof and a large window with a wooden frame. A wooden deck leads to the glass door. The foreground shows a paved area and some landscaping.

Well adapted to the standard size city lot, this three-bedroom house leaves little to be desired in modern living accommodation. Architect William A. Strong, of Toronto, has also achieved a pleasing exterior appearance in this brick and masonry bungalow through the use of large rectangular windows and a simple, unadorned roof.

Of interest in the interior plan are the position of the family room and the arrangement of the kitchen. The U-shaped working area provides an abundance of cupboards and ample counter space. The handy pass-through between the kitchen and family room will also appeal to the housewife. The architect has provided good closet space throughout the house while the rear wall of the eport contains storage facilities for garden tools and toys.

The total floor area is 1,219 square feet and the exterior dimensions are 46 feet by 26 feet, six inches, with the carport extending another 11 feet, six inches. Working drawings for the house, known as Design 286, may be obtained from Central Mortgage and Housing Corporation at minimum cost.

Luxury Living for Large Family In Four-Bedroom Bungalow Plan

This four-bedroom bungalow design by architect Jacques Vincent, of St. Darcache, promises luxury.

A feature of the interior plan is the master bedroom with its own bathroom, dressing room and double clothes closet. Editorial

YES, IT IS VERY IMPORTANT

Addressing Kewlansians here at the luncheon meeting this week, Mr. Ben Rookies, general manager of Lindsay Woollen Mills Ltd., made reference to something which deserves to have the spotlight of attention focussed on it. It is the importance of having small industries scattered throughout the nation's smaller centres to provide employment for their young people, and thus offset the necessity of their moving to distant points to earn their daily bread. Mr. Rookies cited the effect this would have on families and of how it would tend to keep family life more intact.

It is, Mr. Rookies declared, "very important to maintain employment in places like Lindsay to keep alive the ideal way of life." And it is, isn't it?

Many of us can remember the first going away from home to make our way in the world. For some it was a venture in a big city, a metropolitan area where we were ill-equipped to cope. It was a way of life totally unfamiliar to that we had been accustomed to and it removed us, often at a very early age, from contact with those upon whom we could depend for proper guidance. The lack of such contact with the family has no doubt left its mark on many people. It might not be too much to say that it has influenced their entire career. Things might have been not only different but better if they had not been too early removed from their home surroundings.

URGES MORE FREEDOM FOR ADMINISTRATIVE PERSONNEL

For the hospital to be a healthy organism, the psychological needs of its personnel must be met, thus there must be an understanding on the part of trustees of the need of freedom for the administrator and department heads so that their skill can be used by virtue of their own decisions and freedom. This statement was made by Mr. F. S. Groner, President-Elect of the American Hospital Association when speaking on the subject of "A Philosophy of Trusteeship."

"Risk and courage are necessary in order for the greatest advances to be made," said Mr. Groner, and he pointed out that trustees would find a lasting satisfaction in the job of trusteeship well done without the necessity of having placed themselves in a position of the execution of an internal dictum. Courage brings a degree of risk To give necessary freedom of operation to administrative personnel would, Mr. Groner maintained, require a degree of risk, but to take that risk means expressing faith in one's fellow man and such faith challenges the best from the persons in whom confidence is placed.

The speaker went on to point out that the development of any vitre organization is dependent on the effectiveness and stature of the group which holds ultimate authority. For a hospital to reach its potential, the Board of Trustees must afford able and dynamic leadership. Mr. Groner stressed the need for a provision which would enable him to include new Board members from time to time—persons who come from a variety of walks of life who would make available to the organization the knowledge, viewpoints and philosophies of many disciplines.

The Human Mind and Body

By Peter J. Stenerson, M.D., F.A.C.P.

Parents Undergo Plastic Surgery on Nose

"I am unhappy about my nose," writes Miss D. L. of Detroit. "I want to make my nose undergo plastic surgery, but my parents say that nobody has the right to fool with mother nature. They say that God made it this nose, and that because it was HIS will. I haven't the right to change it."

"I am 16. Can you help me, Dr. Stenerson?"

COMMENT: I hope I can! But I am sure that your parents will make a noble face just because I write a few lines here. Anyway, show them this column, and hope for the best.

I'd like to ask your folks some direct questions. Do you wear bifocals, Mr. L.? That's improving on nature. Do you die to "look nice"? Do you take estrogen pills to help your hot flashes in the menopause? Do you shave a haircut? Do you shave? Why? To improve on nature.

I can understand why parents will say "No," because many can't afford plastic surgery. Or, because they think it is a very painful operation (which it isn't). But to deny plastic surgery to a troubled child who has a hooknose or any other "unbeautiful" nasal appendage—on the grounds that it is wrong to tamper with His will, is hypocritical and sacrilegious.

Let her have it done now when it means so much. Just yesterday I talked to a 46-year-old woman who had recently undergone plastic surgery on her nose.

She said, "What a lot I've been! How I've suffered since that day I was born with my nose like this. Why didn't I have it done years ago? I feel like a new person."

"You can't imagine what it means for a woman to look in to her mirror and not inquire. I think all ten-agers say 'pretty' noses should have it done when they are young— and not wait as long as I have."

I'll go a step farther. The operation should not be limited to young girls. How about the boys? They have the right to look more attractive, too.

I know a lawyer who had the operation done in his early forties. Within a year he was a success. Until the operation he was a failure. His new nose gave him more confidence and his personality (previously submerged) was cheering.

I'm not talking about nature. And I am sure that such tampering will not be looked upon with disfavor.

A young man asked me the other day if it was all right to dye his hair. He was in his thirties and was naturally white-haired. I said that if it bothered him, he would be a lot better to have it done.

What's wrong with "tampering to look nice"? What's wrong with plastic surgery if it will give you inner happiness and you be deprived of others?

I could go on and on, Mr. and Mrs. Russell Mount Joy gave a gratifying treasurer's report. Mr. Hill reported the Good Cheer Aid sent out 52 baskets of fruit and 54 cards. Thank you cards were read and expressed verbally.

Costs

Continued from Page 1
 this, Mr. Rioskie said, lay in the fact that in 1950 the per capita consumption of the woollens was three yards. This had shrunk to two yards by 1958. Imports, his figures showed, were up from 17 million yards in 1950 to 17 million in 1958. Another trend in the trade noted was the fact that in 1960 the Canadian wool textile industry supplied 68 per cent of Canada's requirements and by 1958 this percentage had shrunk to 48. In his concluding words, Mr. Rioskie said it was very important to have small industries scattered throughout the country to provide work for people—to avoid the necessity of young people having to break the family circle by going to larger centres for employment. "It is very important to maintain employment in places like Lindsay to help keep the ideal way of life."

100% attendance record noted
 Hydro Commissioner L. A. Waddell was the only member of the local body with a 100 per cent attendance record at meetings this year, it was revealed at the December meeting held Tuesday.
 J. G. Baldwin missed one of the records showed. Other attendance figures were: Commissioner Lamb seven, Mayor Lloyd Burrows seven, the newest member of the Commission, Mr. H. Brown, has attended three meetings. Mr. A. R. Coxen who tendered his resignation in August attended six meetings.
 Members of the commission receive \$8 each per meeting.

No room at the jail
 Judging by information received this morning one of the busiest places in town these days is the County Jail.
 It was revealed this morning that the "hole" on the hill is full to capacity at the present time. Commenting on the point, Chief John Hunter pointed out that the three cells at the rear of the police office are at the present time vacant. Chief Hunter went on to remind any likely prisoners that the cells were not exactly a "home away from home."

GETS NOBEL PEACE PRIZE

Mr. Philip Noel-Baker, former British Minister of State at the Foreign Office and Secretary of State for Commonwealth Relations, who has been awarded the 1950 Nobel Peace Prize, has devoted the greater part of his life to working for international peace and co-operation. As a young man he worked with Viscount Cecil at the time of the formation of the League of Nations and was one of the early members of the League Secretariat. After the Second World War he played a leading part in the beginnings of the United Nations.

Rev. G. Connolly speaks on Christian Education

Blackstock (PNS)—A Christian Education Workshop was held in the United Church.

Rev. George Connolly, Field Secretary of Christian Education for Bay of Quinte Conference held discussions, answered questions and helped solve problems. The first night was for session members, Sunday School

teachers and superintendent. The second night the help was for leaders of midweek activities.

Rev. Logan, Emmiskillen, chairman of Ottawa C. E. Committee, chaired the meetings and representatives were present from Bonaventure, Newcastle, Tyrore, Orono, Hampton, Emmiskillen, Burketon, Port Perry and Prince Albert.

Discussions on the second evening were interspersed with a singing. Helpful literature was on display for all lines of work.

Cartwright High School Holds Graduation Exercises

Cartwright High School Commencement exercises were held in the Community Hall on a full house present. Dr. McArthur, chairman for the evening, welcomed every one present and introduced the principal, Mr. G. Paisley, who rendered a few remarks. Next, Ardis McArthur president of the Student Council, introduced the eight members of the council.

Canon Chapelin presented intermediate certificates to: Bernice Larner, Nicole Forest, Clem Wilson, Roberta Mackie, Larry Mackie, Mrs. Ione Lyon, Shirley Dean, Beth Strong, Glenda Wilson, Doris Griffin and Helen McLeod.

Rev. Komerl presented Secondary School Graduation Diplomas to: Larry Ashton, John Fedema, Barry Fisher, Sylvia Kasub, Winifred Schwartz, Jack Swain and Lloyd Wilson. Presentation of Athletic Trophies to Field Day champions was by Mr. Berry and Mr. Seben to Laurel Mackie, Dianne Whelan, Frances Simland, Brian Staniland, Ralph Bowers and Ardis McArthur.

Ardis was the "No School" interned late boys champion. Mrs. Komerl presented Senior Debating Trophies to Sylvia Kasub, Winifred Schwartz, John Fedema and Jack Swain. The W. V. Van Camp family presented library books to the school.

grade 11 was won by Lawrence Bull and presented by Mrs. R. Davidson.

Mrs. E. Larner presented the Blackstock W.I. prize for highest standing in Home Economics and Industrial Arts to Helen Buschen and Jim Swain of grade 9 and Roberta Mackie and Larry Mackie of grade 10.

O.N.O. prizes presented by Mrs. R. Turner for highest standing in grade 9 went to Helen Buschen and Jim Swain.

The Susan Saywell prize for highest standing in grade 13 history was won by John Fedema. The Principal prize for highest standing in languages in grade 9 was won by Ian Trayer and John Fedema, grade 12; and Larry Ashton. The Frank Haskin prize for highest standing in grade 9, English and Social Studies went to Helen Buschen.

The meeting was closed with the benediction. Mrs. H. Heaslip and Mrs. Guy McGill served a delicious lunch. A motion of thanks was extended to our hostess, Mrs. Staples, the devotional convenor and lunch hostesses by Mrs. Malcolm.

The Girls' Choir sang three numbers and Miss Doris Griffin rendered a piano solo. The Harold Martin prize for highest standing in grade 11 Mathematics and Science, Lawrence Bull.

The evening was then closed by the singing of The Queen.

Wincoff, opened the meeting with the Ode.

Mr. Somerville, devotional convenor announced the hymn then gave a fine paper on the meaning of Christmas saying, "The spirit of good will at Christmas time means love, forgiveness, harmony, and service to others." Mrs. Somerville concluded her paper with a prayer and a Christmas hymn. A short business period was held in which a certain amount of money was voted to the church treasury. Mrs. H. Moxon gave a splendid report for the flower committee. The CGIT are planning on holding their customary Christmas evening "Candle Light Service" on Dec. 20 at 7:30.

All are happy to welcome Mrs. Toale, our new neighbor, and other visitors to our W.A. meetings.

The meeting was closed with the benediction.

Mrs. H. Heaslip and Mrs. Guy McGill served a delicious lunch. A motion of thanks was extended to our hostess, Mrs. Staples, the devotional convenor and lunch hostesses by Mrs. Malcolm.

Public Health Fire Prevention Topics of Speaker

Haliburton (PNS)—The District Home and School meeting was held under the direction of the president Mrs. Geo. Elstone.

Those attending received valuable information regarding fire, its control and prevention, and the services and duties of a public health nurse.

Lieut. James Thompson of the Salvation Army opened the meeting with prayers. The business portion of the meeting was dealt with and then Mr. M. Schell and Mr. M. Scheffle of the local fire department showed two films. These were in regard to fire prevention and fire fighting technique. Both gentlemen made a wonderful job and were thanked for their co-operation by Mr. Morris Robertson.

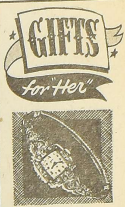

Mrs. Miller, public health nurse, spoke to the meeting on the work being done by the public health nurses in schools. She stated that soon

there would be approximately 2,000 students in 25 schools for the two nurses to visit. She called for continuous support and co-operation by all concerned to help this cause. The entertainment was provided by eight young people, under the direction of Ralph Husey who performed a square dance.

There will be no meeting in December.

Simple Two-Storey Design Economical Family Dwelling

For those requiring a large home, this two-story four-bedroom design by architect T. M. Kirkham, of Vancouver, is worthy of consideration. The exterior appearance is enhanced by the attached garage and protected from entrance which modifies the height of the dwelling. All four bedrooms are of generous dimensions, and the ample living space, both inside and outside entrances are handy to the kitchen, which includes a large rock. There is a full basement containing space for storage, utility, and a recreation room. A heating unit feature for the most of the house is the well-lighted walk area which forms part of the garage.

The total floor area is 1,982 square feet and the exterior dimensions are 42 feet by 32 feet, six inches. Working drawings for the house, known as Design 101, may be obtained from Central Mortgage and Housing Corporation at minimum cost.

Adjourn hearing until victim of accident out of hospital

In Lindsay Magistrate's Court this morning Magistrate R. I. Moore adjourned a case against Mr. William MacDonald, 41, Gilchrist Street, Peterborough, until Jan. 27th.

Mr. Gilchrist is facing two charges of criminal negligence and one charge of careless driving.

Police Chief John Hunter said it was hoped by that date that Mr. Robt. Sanders would be out of hospital.

Lindsay singer, Pontypool pianist recognized for outstanding ability

A pianist from Lindsay and a singer from Pontypool have been recognized for their outstanding ability. The recognition came in the Concert Hall of the Royal Conservatory of Music, Toronto, following a splendid recital by four senior students of the conservatory when a presentation of silver medals was made. The medals were awarded to those candidates who obtained the highest mark in the province in the 1959 examinations (June and February combined) in each grade of piano, violin, singing, organ and the speech arts.

Little Miss Mary Poit of Lindsay shared a tie with Sheila Landgrain of Manistac for highest marks in Gr. I Piano. Each child received a medal.

Miss Jeanne Culler of Pontypool, a pupil of Mr. H. J. D. Moss, 90 Colborne St. west, Lindsay, received the medal for C. IX Singing. Miss Culler's mark of 81 per cent on this examination also proved to be the highest in Eastern Canada (Ontario to Newfoundland), and also won for her on this basis the Frederick Harris Scholarship of \$50.

Additional Fire Fighting Equipment Discussed at meeting

Bethany—(PNS)—Further plans for additional fire fighting equipment were discussed at a citizens meeting, chaired by Vincent Jackson on Monday evening.

The secretary, Mr. Thomas Jennings reported on correspondence with firms who handle this type of equipment, also stating that the present funds on hand are \$157.94.

At an earlier meeting it had been planned to purchase a half-ton truck to transport the present equipment. The committee appointed to look into this, Thomas Jennings, Vincent Jackson and Frank Martichenko, quoted prices of same, and the opinion of the meeting was that such was too expensive and would still not provide adequate protection against fire. This type of truck would haul the present portable pump, hose, etc., but a good water supply would still be lacking.

The rate payers present agreed that it would be advisable to form a registered Fire Fighting Area and Mutual Aid Plan and purchase government approved equipment, which would be financed through a debenture issued by the Township Council. To do so this would need the approval of 65 per cent of the taxpayers within a designated area. (The assessment would be on value of buildings only.) A committee, Murray Wilson, Emory Smith, Vincent Jackson, Mrs. Addison Scott, Thomas Jennings, Earl Weathrell and Charles Morton, volunteered to meet with the township clerk, Ross Davidson, and obtain full details of the cost of floating this debenture, how it would reduce insurance rates and the approximate cost to each taxpayer. This same committee, when in possession of all information that they can get, will then get out each home in the area to get their opinion and

Mr. MacDonald was charged by police here following an accident on Lindsay St. S. last November 16th, when Sanders and Gerald Tracey were both injured. Tracey died three hours after being admitted to hospital.

A spokesman for the hospital said today that Mr. Sanders is progressing satisfactorily. The man sustained abdominal injuries and broken legs.

REEVE FORECASTS PAVING PROJECT

Omemee (PNS)—Reviewing his year's County Council activities in a lengthy address, Reeve Ashmore, forecast strong possibility that the three-mile link of County road connecting No. 7 Highway to the Cavan boundary as being a likely project for a hard surface treatment. This artery is much travelled, the oldest road in the Township and requires extensive attention.

New sub-divisions being built along Pigeon Lake requiring necessary development and roads were cited as major municipal problems.

Emily township claims first deputy reeve

Mr. Lloyd Ashmore, reeve of Emily Township, was given an acclamation in this year's election.

Mr. Edward Lowe, nominated for the positions of reeve and deputy-reeve, as well as council decided to run for Council. All offices were filled by acclamation.

Emily Township through an increase in population is now entitled to a deputy-reeve. This position will be filled in next year's Council by Elmer Ma hood. Councillors acclaimed were Alvin Franks, Ed Lowe, and Albert O'Neill.

In the Omemee elections for Board of Hydro Commissioners the following were elected, Howard Bent, Arthur Weir, T. A. McConnell, and Jas. Magee.

Mr. and Mrs. George Neale (nee Mac Smith) happily celebrated their twenty-fifth wedding anniversary December 2nd and were presented with a cabinet of silver flutware by their family and relatives.

Robert Stison as M.C. expressed the good wishes of their friends and neighbours. Charles Preston read the address of congratulatory letters. Ross Hamilton presented the gift. Mr. and Mrs. Ralph Preston sang duets and Miss Heather Stison gave a piano instrumental. The remainder of the evening was pleasantly spent in the playing of cards. A luncheon was served.

As well as those from the immediate neighbourhood, there were friends present from a large group, Orono, Cavan, Peterborough, Omemee, Lindsay and Springfield.

Named Vice-President

Toronto, Dec. 9—(UPI)—The Toronto-Dominion Bank today announced the election of J. M. Pigott as a vice-president.

Chairman of the Board of Pigott Construction Company has been a director of the bank since 1935.

He will then present their findings at a further meeting. In the meantime, Carl Smith has to approach the Bethany Motor Sales Garage to as installing a trailer hitch on their new truck to transport the present equipment.

TONIGHT'S NHL ACTION
Only one game is on schedule in the National Hockey League tonight. That one finds the last place Chicago Black Hawks at home against the Detroit Red Wings.

EASTERN HOCKEY LEAGUE
In Eastern Professional Hockey League action today Kingston is at Sudbury. Yesterday's games resulted in Hull-Ontario tying Three Rivers 2-2.

AMERICAN HOCKEY LEAGUE
The Hershey Bears host Springfield in the lone American Hockey League contest tonight. Yesterday, Hershey missed a chance to move into fourth place by losing to Quebec, 3 to 2.

AFTER JACOBS AS COACH
The Saskatchewan Roughriders are after Jack Jacobs for a head coaching job, and it's all night with the Hamilton Tigercats. Hamilton president Jake Gaudaur says he has given permission to the Saskatchewan team to negotiate with Jacobs, who has been Hamilton's back-field coach for the past two seasons.

BASEBALL NEWS
Baseball's elder statesman Branch Rickey made the big news at the winter meeting in Miami Beach, Fla., yesterday. Rickey, the president of the new Continental League, said his loop isn't going anywhere if the major leagues are permitted to continue what he called "monopolistic practices." Rickey said his league is now ready for the next step and he hinted that it would be an appeal to Congress. The league announced that it Atlanta was the sixth team to join the present members New York, Denver, Houston, Toronto and Minneapolis-St. Paul.

CALLISON TRADED TO PHILLIES
Only one trade as the major league bigwigs gathered at Miami Beach yesterday. In that one the Chicago White Sox sent outfielder Johnny Callison to Philadelphia for Gene Pless, who hit 23 homers for the Phils last season. Callison started the season in left field for the Sox, but slumped at the plate and was sent to Indianapolis.

LISTON 5-1 FAVORITE
Heavyweight contender Sonny Liston of Philadelphia is a heavy 5-1 choice for the Boxing Writers' Association. Liston's 19th straight victim at Madison Square Garden tonight knockout over Mike DeJohn, Cleveland Williams and Nino Valdes. Bernaroff has 15 knockouts to his credit.

JOHANSSON WINS AWARD
Heavyweight champion Ingemar Johansson has been voted "fighter of the year" by the Boxing Writers' Association. The Swedish fighter will receive the award—the Edward J. Neil memorial—at the annual dinner in New York City on Jan. 14th. The boxing writers also awarded fight manager Max Baer the James J. Walker memorial trophy for long and meritorious service to the sport. The 42-year-old Jensen is manager of middleweight champion Gene Fullmer of Utah.

ATTENTION HOG PRODUCERS HOG SHIPPERS

Following study and interviews with the various committees of the Ontario Hog Producers' Association, the Ontario Hog Producers' Association of District 1 and 2 of the Ontario Hog Producers' Association are pleased to announce that all hogs will be sold from producer controlled market points on and after December 14th. This long awaited improvement in the hog business will require the cooperation of every producer. Misunderstanding or irregularities should be reported to Ontario officials or the farm director. Please note the locations and times for yards serving this area. With the expiration of the Peterson and Seelys Act, all are equipped with scales.

Lewis Retains Empire Featherweight Title

A West Indian, Percy Lewis of Trinidad, retained his British Empire featherweight title by knocking out John O'Brien of Scotland in the second round at Nottingham, England. Lewis weighed 124½ pounds and O'Brien 126.

O'Brien was dropped in the second round by a left hook. He didn't seem in trouble but surprised the crowd by remaining down for the full count. Afterwards O'Brien said he made a mistake on the count. "I thought I was getting up at nine," he said. "I was shocked when I found I had made a mistake. I was so little hurt that I could have got up at four."

Relatively Unknown
Wally Swift, a 23-year-old welterweight almost unknown outside his native Nottingham, outpointed South Africa's Willie Towel, the former Empire lightweight champion, in a 10-round bout here.

The rused young mechanic stepped into the ring at 74½ hours' notice when Towel's adviser, prominent, Albert Carroll of London, went down with flu.

Swift lashed Towel off balance and made the South African founder badly when he missed with a counter right. Towel, boxing now as a welter, fought well below his best. He lacked his usual speed and accuracy.

Towel weighed 142 pounds. Swift 147.

SEA CAPTAIN GIVES UP LONE FIGHT

A Finnish sea captain has given up his lone fight against the sea and abandoned his beached ship at the coast of Scotland. The skipper came ashore on a breeches buoy. The 65-year-old captain at first refused.

FEAR NORSE FREIGHTER LOST
A Norwegian freighter and its 21-man crew is feared lost in the storm-tossed North Sea. The freighter "Eldrida" sent an SOS saying the crew was abandoning the ship which was sinking in waves three stories high. There is little hope the crew will survive the storm, which has swirled across Europe for the past three days.

BEVIE AIRLINER CLAIMED BY SEA
A commercial airliner with 45 persons aboard is feared lost in the sea. The Colombian airliner is overdue on a flight from a resort island in the South American mainland. The plane carried three crew members and 43 passengers, most of them women and all Colombian.

TUMULTUOUS WELCOME FOR EISENHOWER
President Eisenhower has capped a day of triumphs by receiving one of the biggest welcomes India has ever bestowed on a foreign visitor. The president landed in New Delhi at the end of a day which began in Karachi, Pakistan and featured a stop-over in Afghanistan on his whitened 11-station tour. Prime Minister Nehru welcomed the president with a garland of flowers. . . . In the thousands Eisenhower had presented to him or thrown in his path.

DRUG INDUSTRY TO BE SCRUTINIZED
A Socialist member of parliament plans to bring the Canadian drug industry under sharp public scrutiny at the next session of parliament. Frank Howard, CCR member of Skeena, British Columbia, says he favors a public probe similar to that underway in the United States by a senate subcommittee. The industry has been under quiet examination by the federal government for some two years.

REJECT RAILWAY REQUEST
The Royal Commission on Transportation has rejected a railway request for an interim report covering the statutory Crows Nest Pass grain rates. The commission yesterday also reaffirmed a decision of last September that evidence on general relations and alleged restrictive labor practices is inadmissible. The two major railways proposed a government payment on behalf of the western tier to bring the post-1900 rates up to a "fair and reasonable" level. They claimed they lost more than \$65-million last year moving grain at lower-than-cost rates.

GIANT MANHUNT COVERS EASTERN U.S.
A giant manhunt for 19 escaped psychopaths—convicts—the biggest in modern North Carolina history—spread throughout the entire eastern section of the U.S. In central North Carolina police are making a house-to-house search for the heavily-armed convicts who escaped yesterday from the Ivy Bly maximum security prison. State police authorities say all the men are psychopaths and very dangerous.

HURRICANE FORCE WINDS DAMAGE TASK FORCE
A Royal Canadian Navy task force has suffered considerable weather damage from hurricane force winds and heavy seas that swept the Atlantic this week. A navy spokesman in Halifax disclosed today that the task force consisted of the aircraft carrier "Bonaventure," destroyer escorts "Algonquin," "Iroquois," "Sloop" and "Athabasca." All reported under deck fittings carried away by the swells including one lifeboat and several others damaged.

FACTS FOR FARMERS

Some news of special interest to our farm subscribers

HOG LICE
The hog is host to the largest of the lice parasitizing domestic animals.

The hog louse is the only species that attacks wine. The female louse is about the size of an inch in length. The hog louse is brownish grey in color, has a broad oval body, and six strong legs. The legs terminate in large claws which the insect uses to attach itself to the hairs of the host.

On an infected animal, lice are usually found in the folds of the skin on the neck, at the base of, and inside the ears, on the belly, and on the upper part of the inner sides of the legs.

They thrive on pigs at any age, and particularly those in the farrowing period. They do not live on other kinds of animals.

Hog lice are blood suckers. They feed frequently, plucking the skin each time. Considerable irritation results and the hogs rub themselves vigorously, causing loss of hair and often scratches and wounds in the skin.

The lice pass the entire life cycle on the swine. The female louse produces 60 eggs which are attached to the hairs of the animal. In 10 to 14 days the eggs hatch and the young lice, which are similar to the adults except and begin to feed through the skin of the pig often he huddled close together, the lice easily pass from one to another. It is possible, however, for animals occasionally to be come infested from the louse eggs that have dropped off and hatched on litter.

In treating swine for lice, various types of oil have been used a lot. These are applied on the swine as sprays or dips or in hog wallows. Crude petroleum oils are best used in hog wallows. More recently, however, insecticides which appear to be more effective have come in.

to common use. These include Lindane, DDT, toxaphene and others. These may be obtained in the form of wettable powders, that can be mixed with water, or as prepared oil emulsions to be used as dips and sprays.

Sprays should contain 0.5% Lindane, 5% methoxychlor, and the same amount of DDT or 7.5% toxaphene. Use approximately one quart of spray mixture per animal. Be sure that all parts, including the insides of the ears, the belly, and the inner surfaces of the legs are treated.

Treat all the animals in the herd and clean out the pens thoroughly at the same time. Ducks may be used in cold weather, but these are not so effective as sprays.

VOL. 37, NO. 32

BUS SUBSIDY BY COUNCIL ENDS ORSEVERE YEAR TERM IS TURNED DOWN

HOLTM MAKES COMEBACK

All of the members of the present Council with the exception of Ernest MacCallister, were re-elected to serve a further term of office in Monday's municipal election.

Mr. Jos Holton, a former member of Town Council was successful in his efforts to gain a seat on Council. Mr. Holton polled 952, only eight votes less than the number polled by the late Mr. Acheson.

Voters overwhelmingly voted their approval of granting a subsidy to the operator of bus service. On the other hand the two-year term proposal was heavily defeated.

Final figures in favour of the bus subsidy were: Yes, 879; No, 390. Two-year term: Yes, 119; No, 1,004.

Leading the polls was former reeve Bruce Maidens. Mr. Maidens this year contesting a seat in the riding of St. Paul, is not able to devote time to the many duties connected with the reeve's office.

Final figures in favour of the bus subsidy were: Yes, 879; No, 390. Two-year term: Yes, 119; No, 1,004.

Report elderly citizens prayed the elements to support bus question

Two issues included on this year's ballot for consideration by voters received decisive answers in Monday's municipal election here.

By a majority of over two-thirds the electorate voted in favour of granting the bus operator a subsidy of up to \$5,000 a year, if a loss is incurred in the operation of the bus service.

The question of whether citizens wanted a two-year term of Council was defeated by a large margin. Final figures were: In favour of the motion 673; Against 1,004. Last year when the issue was put to a vote of the electorate the vote was 729 for and 706 against.

People still love to sing... Grade 7 boy soloist captures hearts of men with his singing

People still like to sing and this is the time of year when they like to sing the old, familiar Christmas carols which have come down through the ages.

The Lindsay-Peterborough section of the Industrial Accident Prevention Association is having a Christmas party for its members enjoyed a pleasant interlude of carol singing at their recent meeting here this week.

Chairman Fred Emerson surprised the men assembled for the meeting when he introduced Principal Stan Brown of Leslie Frost Public School and the Grade Six Boys' Choir. These handsome boys, accompanied by Prof. Wm. Fletcher, supervisor of music in Lindsay's Public Schools, were warmly received and their leadership quickly had the Hotel Bennehan guests singing.

These present will not soon forget the special pleasure which was theirs as they listened to a Grade Seven student sing "O Holy Night." The boy was Jim Walker and when Principal Brown introduced him he remarked: "Jim has one of the finest natural voices I have ever met." He then said: "The boy is truly gifted. There is something different about his voice." When Jim had finished singing the beautiful carol, the spontaneous applause must have told him that he had turned in a magnificent performance.

And, while on the credit-while credit is due, there it might be mentioned that the Christmas Carol sheets were supplied courtesy of "Simpsons" and bore the reminder that "for the 34th consecutive year, Christmas Carols will be sung on the street floor of their Toronto store from 8.40 to 9.00 p.m., December 18th to December 24th (except Sunday). The public is cordially invited to join with the staff in the singing."

Noticed along the way

The cranberry sauce served with a turkey dinner in Lindsay this week was eaten with relish by many of those present. Only a handful of people recalled the big cranberry sauce which has been making the headlines in the U.S.-Canadian press during recent days.

One passed away in hospital. The accident occurred on Lindsay St. S. Damage is estimated at \$250.

A two-car mishap at the intersection of Lindsay and Kent Sts. resulted in damage estimated at \$85.

Operators of the vehicles were Mr. Maurice Mantle R. 2, Janetville, and Mr. McGregor, 206 Ardmore Avenue, Lindsay.

Shortly after 8:30 p.m. cars being operated by Mr. Lawson Blakely, Lindsay, and Miss Patricia B.R. 2, Janetville, were in collision at the junction of Kent and Sussex Streets.

Damage is estimated at \$600. Police Officers Brown and Henley conducted investigations into the accidents.

Eye pierced by steel wire, may yet restore some vision

Rickey Pogon, son of Mr. and Mrs. Ed Pogon of Lindsay is reported to be making improvement in his sight to regain partial vision of an injured eye.

C. E. Cragg, Peterborough oculist, told "The Post" today there was a time several days ago when hopes of saving the boy's injured left eye were rapidly diminishing.

In the interval an improvement had been noted and, while the threat of surgery has not been entirely removed, it was felt that there is a possibility of saving the eye and restoring some of its vision.

Rickey was injured while playing with a friend. The rubber end of a fly swatter flew off the steel handle, pierced his left eye. He is being treated in St. Joseph's Hospital, Peterborough.

Lindsay Man Escapes Serious Injury in Car Accident

Mr. Leigh R. Culbert, 109 Adelaide St. North, Lindsay, escaped serious injury when the vehicle he was driving went out of control south of the Cambray cut-off about 8:30 a.m. Tuesday.

OPP Constable Gordon Langton, who investigated the accident, stated the vehicle went out of control on the slippery highway and rolled down an embankment.

Mr. Culbert was alone in the vehicle at the time of the mishap. Damage to the vehicle is reported to be extensive.

The mission which was started in 1886 as a Sunday school by a woman with great faith. It has outgrown its present facilities and a fine new building is being built under direction of the M. & M. of the United Church of Canada.

He talked about his work among the distressed who come to the mission and read letters from men whom he had helped to find a better way of life and who, in turn, are helping others. He stressed the need for good conduct, for kindness and money to support the mission in its humanitarian endeavours.

The closing hymn was sung with the minutes of the previous meeting and the financial report being read. The scripture reading was given by Mr. Stone.

Treacherous Road Conditions Bring Rash of Accidents

Extremely treacherous road conditions in Lindsay this morning resulted in several motor accidents reported Chief Police Officer John Hutton this morning.

At approximately 1 p.m. a vehicle being operated by E. McLean, 101 Lindsay Street South, came into collision with a vehicle being operated by J. Barker, of R.R. 2, Janetville.

The accident occurred on Lindsay St. S. Damage is estimated at \$250.

Edible Novelty
If there's a person on your gift list who lives alone, there's one sure way to brighten up his life for Christmas . . . give him an edible gift.
Home cooking is always appreciated and especially by the bachelor . . . the career girl, or the widow who doesn't want to bother putting for just herself.
One goodie that can be a token gift in itself or used as a decoration on another gift package is the Christmas tree snowball.
The edible novelty is made of three cups of puffery rice, 32 large marshmallows, two tablespoons of butter or margarine . . . one-fourth of a cup of light corn syrup and one teaspoon of vanilla.
Heat the puffery rice in a shallow pan in a moderate, 350 degree oven for 10 minutes.
Then pour into a large, greased bowl.
Place the 32 marshmallows, butter and the corn syrup in the top of a double boiler . . . put water in the lower part . . . and melt over a low heat. Stir until smooth, then blend in the one teaspoon of vanilla flavoring. Pour the marshmallow mixture over the heated puffery rice, stirring to coat all kernels evenly.
Grease your hands well and form puffery rice into balls. Then roll them in flaked or shredded coconut. Decorate with a few red cinnamon candies and wrap each snowball in saran. Tie with red ribbon or red-colored pine cleaners and add to the gift package.

Always Welcomed
Traditional yuletide fruit cake and cookies are always welcomed. But what about a cooked roast with all the trimmings for the family of a woman who is ill or away at the holiday season?
Spice Balls
The old fashioned spice balls were delight young and old alike and they're made so easily. Just cover the entire surface of a ripe orange with whole cloves . . . Attach a decorative hanger or ribbon . . . And you have a useful and decorative addition to the gift list. The spice balls will bring a delectful odor to the clothes hanging in the closet for months to come.
Holiday Aprons
The woman who knows can be a little bit of a friend in Lindsay. They're not just for holiday aprons for gifts. Green organza aprons perfect background for

Approximately 30 relatives and friends gathered at the home of Mr. and Mrs. A. Peterson, Courtice, to celebrate the 45th wedding anniversary of Mrs. Peterson's parents, Mr. and Mrs. Arthur D. Tamblin.
After their marriage in Lindsay in 1914 Mr. and Mrs. Tamblin resided in that city for about ten years, before moving to Oshawa where Mr. Tamblin became employed at the General Motors Plant. In June 1956, they moved to their new home in Courtice, next door to their only daughter and her family.
Mr. and Mrs. Tamblin received many lovely gifts, among which were two handsome, stylized Tannet basket chairs from the couple's brothers and sisters, which will be attractive additions to their new recreation room.
Among the many guests were Mrs. Stanley Dowd, Sunderland, sister of the Oshawa, and Mr. Harry Stevens, Oshawa, who were the attendants at the wedding forty-five years ago. Mrs. William Wells, Sussex St., Lindsay, eldest sister of Mrs. Tamblin joined tea.

Mrs. G. Moase
Hostess for W.A.
The Pleasant Point (PNS) — The Pleasant Point Mariposa W.A. held their December meeting at the home of Mrs. George Moase.
After the opening hymn and prayer, Mrs. A. Venner and Mrs. E. Hill gave the devotion program. Mrs. George Moase read the scripture lesson, Mrs. Venner read the topic "Perfect Harmony" from the topic booklet, and Mrs. Hill gave the other Christmas message.
The following readings were given:
Mrs. A. Hill read "At The Inn Door"; Mrs. H. Foster read "Adoration of the Lowly"; Mrs. Venner read "Christmas Shopping".
Following another hymn, the President, Mrs. G. Gilson, took charge of the balance of the meeting, giving a special welcome to the visitors present.
The Roll was answered by nineteen members with a verse of scripture.
Gifts were presented to five members—Mrs. H. Foster, Mrs. I. Gilson, Mrs. M. Hill, Mrs. G. Gilson and Mrs. O. Sweetman. Gifts were also presented for attending every meeting during 1969. There were also small gifts for others with a good attendance record.
Mrs. McNeill's Christmas party for the three W. A.'s was announced to take place on December 11th. The Pleasant Point, Mariposa W. A. was asked to provide three items for the Christmas program.
Year end reports were presented by the Secretary, Mrs. Foster; Treasurer, Mrs. I. Gilson and Mrs. M. Hill, the Plover Fund Treasurer.
Two "Get Well" cards for Mrs. Penwell and Mrs. K. Mas were passed around to be signed by all the members.
The President then thanked everyone for their cooperation during the past year, and turned the meeting over to Mr. McNeill for the election of

Sarah Long
Mrs. Sarah Long passed away at her home, 8 Adelaide St., Lindsay, November 22nd, after a short illness. She was in her 91st year.
Mrs. Long was born in Bobcaygeon and lived there before moving to Lindsay for 38 years. She was the daughter of the late Wm. and Jane McGreggor, and wife of the late Mr. Long. She was a member of St. Paul's Anglican Church and a member of The Women's Institute.
She is survived by two sons and one daughter. They are: follows Elmer Joe Long, Girdwood, Ohio; George H. Long, Mont-real Quebec; and Althea Long of Lindsay. She is also survived by two sisters. They are: Marie (Mrs. Carew) Omenes and Gertrude (Mrs. Tolson) of Lindsay. There are three sisters and four brothers predeceased.
The funeral took place from Mackey's Funeral Home Nov-

embled with the Rev. H. Hesketh officiating. Pallbearers were: Althea Long, Wm. Arthur Long, Ernest McGreggor, and Dan Robertson. Interment was at the Verulam Cemetery, Bobcaygeon.

WMS Presents
Life Memberships
The Queen St. WMS meeting was held in the Church with a good attendance. The president, Mrs. A. Thurston, opened the meeting with a Psalm.
Mrs. DeBols quoted a piece of scripture and prayed for the missionaries and all Christians. Mrs. Haight read the scripture which was followed by a reading by Mrs. DeBols entitled "Pilgrimage to the Holy Land" which in turn was followed by a hymn.
Mrs. Falls and Mrs. Found read a story solo.
Mrs. Thurston gave some interesting notes on The Holy Land prepared by Rev. Foster.
Taken from the study book, Mrs. Armstrong and Mrs. Williams described "Africa Disturbed" as on a bridge. The changes that are taking place, churches instead of evil spirits, the great numbers are becoming more capable in all walks of life, such as education, prevention of sickness and family care.
Business followed the roll call and minutes of the previous meeting were read by Mrs. G. Logan, the collection was taken and dedicated.
A pleasure ceremony was performed when two life memberships were presented. The first was of Mrs. J. Forman, with the address by Mrs. Fairman and the presentation by Mrs. O. Culbert; the second was to Mrs. J. McNeill, with the address by Mrs. Tocher and the presentation by Mrs. G. Logan. This was followed by a prayer by Mrs. Fairman.

The senior citizens of the community, and any who are, are to be received (don't miss it) for the Christmas dinner for the W. A.
Mrs. Venner, Mrs. E. Hill and Mrs. G. Moase served lunch at the close of the meeting.

Fall rushing activities open with "Model Meeting"

Fall rushing activities commenced with a Model Meeting at the home of Mrs. David Murray, Nahma Lodge, Balmain Lake.
With a full membership present, guests and pledges, the Benson Hotel and the sense of the Pledge Ritual Dinner. President, Mrs. Wm. Deywell welcomed new pledges, and guests, who included Mrs. N. F. Muller and Mrs. Al. Emund of Peterborough and formerly of Gamma Sigma Chapter, Lindsay. Guest speakers were Mrs. Edna Phillips and Grace Joy both of Beta Sigma Phi City Council Peterborough. The Chapter then adjourned to the home of Mrs. J. L. Holton where, at the Society's traditional yellow roses and by candlelight, the Pledge Ritual was conducted by Grace Joy. Those awarded pledge pins were Mrs. J. L. Holton, Mrs. John Ryan, Mrs. E. F. Johnson, Mrs. M. M. Grogrove and Mrs. E. Manley, after induction by Mrs. Al. Garden. Edna Phillips then chose as her topic "Beta Sigma Phi" in an enlightening address appropriate to the occasion. Refreshments and a social period brought the evening to a close.
The previous month's meetings were held at the home of Mrs. Hugh Smith and Mrs. Don Phillips. At the former meeting plans had been made to replenish subscriptions for the Rose Memorial Library and also to place a memorial wreath on the Cenotaph. At the second meeting arrangements were completed for a rummage sale which proved to be a success. Cultural programmes entitled "Music and

OBITUARY
Millie Schrammer
The late Mrs. Schrammer, the former Millie Lee, passed away at Shawville, Quebec at the age of 93.
The deceased was the daughter of the late Mr. and Mrs. Edward Lee, in the past, had resided east of Ontario.
She is survived by two brothers: Caleb of Lindsay and George of Lindsay. She was predeceased by four brothers. A sister Nettie and her son Lewis also predeceased her.
The late Mrs. Schrammer was brought from Shawville on Tuesday, December 1st, and was laid to rest in the Pine Grove Cemetery, Norland.

Rummage Sale Held
A very successful rummage sale was held by the B.Y.O.B. of the Cambridge Street Baptist Church, parson, Lindsay. This was the Young people's first venture and the proceeds were for association fees and a mission school which they help support. Convivial was Sammie McElden, assisted by Allan Elsdon, the President, Velda Stovell, Beryl Stovell, Jo-Anne Hiltz, Marilyn Irwin, Gail Griffin, Karen Stovell, Mrs. Irwin and Mrs. Elsdon. The young people and their friends were delighted with the results of their hard work and wish to tender their thanks to all who came and supported them.

PERSONAL
Friends of Mr. Everson will sorry to hear that he is ill in the hospital.
Mr. and Mrs. Murray Roberts spent this week in Toronto, staying at the Lord Simcoe Hotel, while attending the annual bank meeting of the Toronto Dominion Bank.

29.6% Vote

Only 29.6 per cent of the electorate voted in Lindsay municipal election, disclosed Town Clerk W. Ailey on Tues day.

In last year's election the figure recorded was 25.3 per cent.

Only on very few occasions has the percentage been lower than in the past two years. In 1955 24.1 per cent of the electorate voted.

THAT
greetings to be received by
"The Post" this season was a
brief message from a Mr. M.
Lagace. This gentleman ad-
dressed his greeting to the
chief editor and all the staff.
Applied to the message was a
design for a new Canadian
flag which is different and ap-
parently. Essentially the de-
sign is made up of a white
cross centered by a green
maple leaf and concentered by
red and blue. It is of more
than passing interest to note
the initials "P" and the sur-
rounding "Lagace" when joined to-
gether spell "Flag" and this
word can be broken down into
two parts with the result that
we get "Flag A-Z". There
couldn't be something in a name,
couldn't there. — Merry Christ-
mas and every good wish for
the New Year to you, too, Mr.
Lagace of Hawkesbury, Ont.

This is a day of anticipation
for the pupils of St. Mary's
School. . . . They are putting
the finishing touches on their
Christmas concert before its
presentation at 8:15 tonight
and again tomorrow night.
Anyone who ever took part in
a Christmas concert can re-
member the anxiety which
builds up in preparation. . . .
You know, everyone wants to
be a star and really shine when
they are out on foot of Mon-
day and Dad and the beauty of it
they always do. . . . Did you,
when you were taking part in
Christmas concerts, ever re-
ceive anything but praise from
those two wonderful people?
If so, then you know they always
emphasized your good points.

This seems to be a day for
receiving Christmas cards. . . .
Several showed up in this
morning's mail and included
in the lot is one from Mr. Arch
Holley, executive secretary
of the Motion Picture Theatre
Association of Ontario. A card
from Arch always brings back
pleasant memories, memories
of the days when he used to
do business with the late E. S.
(H) Meahan, then operating
the Oshawa Theatre. On the
occasion of one of these visits
a third party was invited to
meet him. Anxious to make
a good impression, he was

A break-in at Lindsay store
last night came to light when
a truck was stopped by OPP of-
ficers in the Whitty area.
The driver of the vehicle is
being sought by police today
after he made off on foot
when police stopped the ve-
hicle for the manner in which
it was being operated.

Police Chief John Hunter
said this morning that an es-
timated 600-800 spark plugs,
cash to the amount of ten dol-
lars, an electric shaver and
drill, battery cables and up to
100 wheel bearings, alleged to
have been stolen from the Pe-
terborough Automotive Supply
dealer last evening, were dis-
covered in the truck.

The truck is reported to be
registered to a Toronto man
It hadn't been reported stolen
at press time today.

A break-in occurred at the
same premises a short time ago,
so that occasion several spark
plugs were stolen.

Trouble
Brewing
At Arena?

Editor told
breaking point
advancing rapidly

A troublesome situation is
reported to be rapidly building
up to the breaking point at the
Lindsay Kiwanis Arena.

Some idea of what is meant
by the situation is given by the
allegations contained in the
letter received by the editor of
this paper today. The letter,
the editor states, embodies
many things which have been
told to him personally during
recent days.

The letter alleges that the
old staff of the Arena is being
replaced by relatives of the
management and that the ice
plant not only is in bad shape
but is being left unattended
or dangerously long periods of
time.

The editor states he has been
told by usually well-informed
people that part of the north
wall of the arena has been bat-
tered by cars to the extent that
it is in danger of slipping off
its foundation. A drop of an
inch or two would result but
the overall consequences could
be disastrous.

Other officials have been in-
formed and it is reported to have
told him.

Another usually well-in-
formed source is reported by
the editor to have told him a
disastrous fire and explosion
occurred in the arena and that
a faulty operation of the arena
ice plant.

The editor stated today he
plans to seek further plain-
information on the entire
arena setup in order to give
the reader of "The Post" the
factual account of the situa-
tion.

Parks Bd. asks
CNR to delegate
representative

At the final meeting of the
Lindsay Board of Parks Man-
agement Committee held
Tuesday evening a motion was
adopted asking a representa-
tive of the CNR to meet with
the board early next year.

Mr. Carl Brown, CNR rep-
resentative, said the board
would like to discuss mat-
ters pertaining to CNR
property which the board is
interested in with the railway.

Present at the meeting was
Tom Price who has been ab-
sent from several meetings
through illness.

It was disclosed by Mr. Wil-
liams that lack of controlled
parking in Lindsay was an
other aspect to be taken into
consideration. It was suggest-
ed that the board should con-
sider the matter.

Homespun safety measure
believed factor in deaths

Oshawa, Dec. 15 (UPI)—A
homespun safety measure may
have helped cause an accident
which killed three persons in
Oshawa Monday night.

Police say three concrete
blocks in the trunk of a car
were a traction on icy roads
may have caused the vehicle
to skid into Oshawa harbor.

The accident occurred on
the highway between Oshawa
and the deaths by drowning of
Judith Claire Wallis, 15, and
Arlene Marie Wallis, 15, and
W. H. Kyle, CNR vice-presi-
dent.

RULES FOR SAFE WALKING AND DRIVING DURING THE CHRISTMAS HOLIDAYS

Here are some tips for safe walking and driving that should be brought to the attention of every citizen in your community. These rules should be remembered and practiced by everyone interested in protecting himself and others from death or injury during the hazardous holiday season.

DRIVERS:

- Come to a complete stop at stop signs.
- Don't drive or walk in traffic after drinking.
- Follow other vehicles at a safe distance.
- Stay alert; don't daydream about holiday doings.
- Slow down in bad weather; adjust to conditions.
- Dim lights on highways when oncoming driver doesn't look at the right shoulder to keep control.
- Yield right-of-way to pedestrians in crosswalks.
- Don't pass a car stopped to let a walker cross.
- Stay on own side of road at intersections, grade crossings, overlapping zones, on hills and curves.

WALKERS:

- Obey traffic signals and signs.
- Cross at intersections ONLY.
- Look left and right for traffic while crossing.
- Watch for turning cars before stepping off curb.
- Never walk into street from behind parked cars.
- If you must walk on road, walk on left facing cars.
- Walk on sidewalk, not in street, for green light or "walk" or gap in traffic where there's no light.
- At night wear or carry something white or reflective to help driver see you.
- While crossing streets don't obstruct your view with packages, an umbrella or hat.

"THINGS AIN'T WHAT THEY USED TO BE AND PROBABLY NEVER WUZ"

"When we were boys, boys had to do a little work in school. They were not coaxed; they were hammered. Spelling, writing, and arithmetic were not elective; and you had to learn."

In these more fortunate times, elementary education has become, in many places a sort of a vaudeville show. The child must be kept amused and learns what he pleases. Many sage teachers scorn the old-fashioned rudiments, and it seems to be regarded as between misfortune and a crime for a child to learn to read. —New York Sun editorial dated 1902.

Rapidly Moving Woman
Actress Elizabeth Taylor is a rapidly moving woman these days despite the fact that she just won a battle with pneumonia. The violet-eyed

star left a hospital in New York City Sunday . . . and flew to Hollywood yesterday. She said she made the trip along with husband Eddie Fisher, two dogs and a cat — to attend tonight's preview of her latest film, "Suddenly Summer."

The movie will be shown at its world premiere in New York City next Monday. A spokesman for the film said the star will return to the cast for the premiere . . . but mink said Miss Taylor said she and Fisher will be back in New York City in two or three weeks.

Honored at Party

The former empress of Iran — Princess Soraya — and Italian prince Rainaldo Orsini are scheduled to be honored at a cocktail party tomorrow night. Originally, informed sources in Rome predicted the couple would announce their engagement at the party. But it appears that any announcement — if there is to be one — will be announced later this month. Soraya is said to have held off the engagement until after the Shah of Iran is married. Her former husband is scheduled to marry a 21-year-old Farah Diba next Monday.

To Remove Wrinkles

To remove wrinkles over the upper lip, stand erect, open mouth and drop chin so that there is an inch and one half of space between upper and lower front teeth. Then gradually close the lips keeping teeth in original position. Keep lips from closing completely. Hold the position for 10 seconds and try to wrinkle nose . . . relax gradually and repeat three times.

Card of Thanks

We wish to extend our sincere thanks and appreciation for the many acts of kindness and sympathy which were extended to our family during the recent bereavement. We especially thank The Bay View Nursing Home, Dr. Moran, Rev. J. Mason for their kind words and also the Pian Funeral Directors.

No one knows how good I miss you. No one knows the latter pain I have suffered since I lost you. Life has never been the same. My heart your true memory.

There is not a day that I do not think of you. —Sally Mills by wife, Elsie (4127)

GRILLS — In loving memory of a dear husband and father, John Grills, who passed away Dec. 10th, 1959. He has gone across the river To the shore of ever green.

— Mrs. Lawrence (Greenie) Williams and family. (4181)

I wish to express my sincere thanks to Dr. Galloway and Mrs. Frank McLaughlin, doctors, nurses and staff of the Ross Memorial Hospital for their care and kindness shown me while a patient. There are also many thanks to my friends, neighbors and relatives for flowers, fruit, cards and kind expressions and visits while in the hospital and since returning home. — Fred Graper. (3631)

I would like to express my sincere appreciation to neighbors, friends and family and the nurses at the R. M. Hospital for the flowers and fruit and many acts of kindness during my recent stay in hospital. — Mrs. John Lytle. (3621)

I wish to thank Dr. Shier, the nurses at Ross Memorial Hospital, W. A. meeting with me in the Sunday school room. The devotional service was in charge of Mr. Jimmie Fennell. Mrs. Fennell read a poem—"Love Came Down at Christmas"—a hymn was sung, after which Mrs. Russell Mark offered prayer.

Mrs. Art Hicks favoured with a reading, "Christmas." Mrs. Jack Fennell gave a reading entitled "The Day He Died" and Mrs. Cecil Casey favoured with a poem, "I'd like to walk on Christmas Eve." A hymn and prayer by Mrs. Fred Starr, closed the devotional service.

The president then took charge of the business session, and read a poem, "The Wondrous Night." The W. Creed was repeated, followed by the theme song, and the theme prayer. The secretaries, Mrs. Lorne Snodden read the minutes of the previous meeting which were adopted and read. The roll call answered with nineteen members being present.

Mrs. Orr Mark reported she had sent six cards, three plants and Mrs. Coulson sent seventeen cards to the sick, to the sick and shut-ins. Appreciation was expressed by Mrs. Frazee Woodruff for a card received during illness, also Mrs. B. Mark thanked the W. A. for cards received during the illness of her daughter.

The visiting reports were given by Mrs. Frank Hood, Mrs. Roy Grills, Mrs. Russell Mark. The corresponding secretary, Mrs. Cephas Jordan reported sending eight birthday cards to those over 80 years, and seven sympathy cards during the past year. The treasurer, Mrs. Cecil Casey gave a good year report of supplies — quilting and work and stated a balance of \$609.23. After some discussion it was decided to give \$15 to five Oak's Paris as announced, also \$25 to the M. & M. fund, and \$100.00 to the General Fund of the United Church. The president, Mrs. Art Hicks thanked those present for giving her their support during the past two years.

In Memoriam

WERDALE — In loving memory of a dear husband and father, Howard Werda, who passed away December 14, 1956. He had no one his last farewell.

He said goodbye to none. We often sit and think of you. The things you used to say. We wonder who you had to die. Without a chance to say goodbye.

No one knows how good I miss you. No one knows the latter pain I have suffered since I lost you. Life has never been the same. My heart your true memory.

After some discussion it was decided to give \$15 to five Oak's Paris as announced, also \$25 to the M. & M. fund, and \$100.00 to the General Fund of the United Church. The president, Mrs. Art Hicks thanked those present for giving her their support during the past two years.

President, Mrs. Starr, Group Leaders — Mrs. Fred Starr, Mrs. Stewart Grills, Mrs. Stewart Grills and Mrs. Jack Firmen then thanked their groups who have worked so faithfully in all they were asked to do. Each felt it was a year well spent. Mrs. Mills was in charge of the duties of officers for 1960. She declared all offices open for re-election. The officers for the coming year are:

Past President — Mrs. Art Hicks; President — Mrs. Cecil Casey; 1st Vice-Presidents — Mrs. Ben Howlett, 2nd Vice-Presidents — Mrs. Ben Snodden, Secretary — Mrs. Lorne Snodden; Assist. Painful Gall Bladder

Cause For Alarm Operation

"Dear Dr. Steincrohn: Last summer I spent one week in hospital for gall bladder observation. I had lots of X-rays and my doctor said that I had a shrunken gall bladder that wasn't working properly. There were no stones. It hurt me most of the time. My doctor said that I had to have it removed. I am 65. May I have your opinion? Sincerely, Mrs. L. Washington."

ANSWER: Dr. Steincrohn: The gall bladder is not the only indication for operation. A "non-functioning" gall bladder that produces pain and discomfort is also good reason for operation when medical treatment has failed.

Being 65 isn't too old for surgery if your doctor finds no physical reason why you can't undergo surgery. I have had patients who have had successful operation when in their seventies and eighties.

Eye Floaters

"Can you give me any advice on 'eye floaters'? asks Mrs. B. C.H. of Arlington, Va. "I have consulted an ophthalmologist for this condition and he said there is nothing that can be done for it. I have been troubled with this for almost two years. It is now appearing in the other eye and makes me very nervous."

ANSWER: I'd duck my head as I say to you: "You'll have to learn to live with it. I know of no treatment for this condition. Be thankful it is nothing serious. Then you'll really have something to be nervous about."

Cigarettes Poison In This Case
For Y.Y. of Nashville, Tenn. writes: You have no choice. Cigarettes are "poison" for a patient with Burger's disease.

Widespread Arteriosclerosis
"Dear Dr. Steincrohn: Please explain to me what a wide spread arteriosclerosis is, and how it affects one. Mrs. R.A. Newark, N.J."

ANSWER: Blood vessels throughout the body lose their normal elasticity due to replacement of their elastic coats with layers of cholesterol, time and fibrous material.

Many people live into their 80's and 90's with generalized arteriosclerosis. This is because the arteries still are able to bring sufficient blood and nourishment to the various tissues all over the body.

However, when the smaller arteries that supply the kidneys, brain, heart and other vital organs become obstructed too much (arteriosclerosis), patients get symptoms referable to those regions. For example, when a coronary artery becomes shut off, the result is a coronary thrombosis. When a brain artery gradually closes off, the patient has cerebral thrombosis.

Scientists all over the world are trying to fathom the mystery of arteriosclerosis. When we find a way of holding the line against it, people will be relative youngsters even when they reach the biblical severities.

More women in politics?

Lindsay R. R. 4, become rivals and helpmeets arranged from custom?

The Daily Post, Sir:

More women in politics? What for? It is to give women more power, prestige, and prominence? Or is it to obtain legislation that has lagged behind, by the male element? Is it to withdraw responsibility from the men, and transfer it to women? Or, are women to

Canada is now the product of man's ingenuity and responsibility. What change could women in politics make? Would they endorse man's recommendations, substitute their own personal opinions, or administer our constitutional laws by consulting us? Could they endure the strenuous duties that men carry,

time, commencing that same year. He later became assistant pastor of Bonaventure and Newcastle Parish and continued in this capacity from 1937 on. He became pastor of that parish on June 11, 1940 and moved to Trout Creek as pastor on October 15, 1951. Remaining there until September 1953, he took over as pastor of St. Luke's Church, Downeyville, on the 26th of that month.

The body will rest at St. Luke's church on the 27th of this morning. The Office of the Dead will be said in that church on Thursday at 8 p.m. and the Requiem Mass at 11 a.m. Friday. Interment will follow at St. Peter's Cemetery, Peterborough.

The late Father Coffey is survived by two sisters, Mary Adelaide (Mrs. Joseph P. Kilg) of Rochester, New York and Rita (Mrs. Chas. Flood, Principal Park, Florida.

Weather Outlook

Lake Ontario regions, Lindsay say are:

Cloudy with a few sunny intervals today and Thursday. Not much change in temperature. Wind westerly 15 to 25. Low tonight and high Thursday at Windsor 35 and 50. St. Thomas, Hamilton and St. Catharines 35 and 48. London, Toronto and Trenton 32 and 48.

May Cost More
Toronto (UPI) — It may cost Toronto's High School students more money to eat in their school's cafeteria. The Finance Committee of the Toronto Board of Education suggested yesterday that the price of standard lunches be increased by five cents to 25 cents starting next September.

Shopping

ed by the chairman that cars could have to park four or five blocks from the main shopping centre. "I understand the Peterborough merchants spent over \$5,000 in advertising their mail," said Mr. Williams.

In conclusion the Retail Merchants Committee chairman said that Peterborough which was shopping malls were used mainly to compete with nearby shopping centres. He cited places such as Ottawa and Peterborough which have shopping plazas on the outskirts of town. "Lindsay is not facing that problem at the present time," the speaker said.

Giving details of other work undertaken by the committee during the past year Mr. Williams said eight meetings had been held with an average attendance of seven members present. Much discussion about Wednesday afternoon opening during the summer months has taken place without any decision being taken, it was noted.

More Shopping

One thing brought to light by Mr. Williams in his report was the fact that shopping among boys and girls is on the increase.

Membership

Chairman of the membership committee, Don Scott said the objective for this year had not been reached. He said there was a membership of 176 in the chamber at the present time.

Outlining the work of the past year, Mr. Scott said many meetings and several bills had been held all he thought, with good results.

"There are 400 businesses in Lindsay plus industries and professional men and I see no reason why the membership for the chamber should not reach the 250-mark next year added Mr. Scott.

introductory formalities went off grand but later, in the process of leaving the theatre to go for coffee they were at that, even back in those days, Arch and the third party somehow got their feet tangled up and one of the new shoes took quite a beating. Arch apologized profusely and the third party waved aside the apologies as being totally unimportant since it was really the third party's fault. Actually though, the party of the third part later confided to a very intimate friend by the development. You see, he is reported to have explained, these were new shoes which were worn likely to be another pair for sometime to come and he was grieved to think he had been so clumsy as to get one of the toes lacerated. In however, as it later developed, he recovered from the situation, got another new pair of shoes and the incident was forgotten, except for the Arch and the fine impression he made not only on the other party but on the party of the third part. You see Arch is a real likeable fellow and he

committee chairman, voiced the opinion that those who benefit most by this committee's work are those who give the chamber the least support.

The chairman revealed that 16 resort owners, three motels and one hotel in the area are members of the chamber.

"This is helpful support from those to whom we render our service," the doctor declared.

It was disclosed by the chairman that the new brochure being printed in co-operation with the county will be available in January. The speaker also referred to the work carried out by the chamber in connection with the LODA and Kawartha Lakes Tourist Association.

Evidence corroborated pair fined

Continued from Page 1

Magistrate R. L. Moore asked in Lindsay Magistrate's Court this morning that an other police officer be summoned to corroborate an officer's evidence.

This course of events took place during the trial of Terence O'Reilly, 23, of R. R. 2, Lindsay and Vernon McGuire, 30, of St. Lawrence Street, Lindsay.

Both men were charged with intoxication. O'Reilly was facing a third offence charge and McGuire a second offence charge.

Police Constable William Mosley testified that on Monday evening he was summoned to a local restaurant where the two accused were drinking, he was causing trouble. The officer testified that he

found both guilty. Magistrate Moore imposed a fine of \$10 plus \$10.50 costs upon McGuire or 30 days in default. The fine imposed upon O'Reilly was \$100 plus costs or 60 days in default. The magistrate said he would treat the charge against O'Reilly as a second offence charge.

officer's arrival, the court was told.

Police Constable Mosley said he finally arrested the two men after seeing them staggering along the sidewalk on Kent Street.

The officer testified that the condition of both of the accused was "far from normal." After being lodged in the cell the prisoner started telling and kicking the cell doors," said the officer.

O'Reilly told the court he was banging the door because he wanted to see someone.

Magistrate Moore said he wanted more corroborative evidence before passing sentence. When the case was resumed later in the morning Police Sergeant Gordon Eberts testified that the accused smelled strongly of alcohol when they were brought into the office by Constable Mosley.

"McGuire told me to get my hands off him when I attempted to place him in the cell," the officer testified.

Finding both guilty, Magistrate Moore imposed a fine of \$10 plus \$10.50 costs upon McGuire or 30 days in default. The fine imposed upon O'Reilly was \$100 plus costs or 60 days in default. The magistrate said he would treat the charge against O'Reilly as a second offence charge.

Bride and Groom Feted

A shower in honor of Mrs. Robert Parker (nee May Werry) was held in the Community Hall, Saturday evening. Mr. John Hamilton was M.C. and the following program was given: Leonard Saunders sang two songs with Mrs. L. Thompson at the piano; Lloyd Wilson gave two selections on the guitar with his mother accompanying; Mrs. L. Thompson sang a solo accompanied by Mrs. H. McLaughlin and a short skit was presented by four boys, Lloyd Wilson, Harvey Graham, Leonard Saunders and Harold Hamilton.

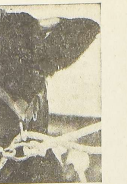

Rob and May were called to the platform and the gifts were presented. Mr. Werry, the bride's father and Mr. Parker, the groom's father, were called on for a few remarks. Lunch was served and dance followed with music provided by Mrs. D. Wilson, Lloyd Wilson, Roy Ashton and Don Prosser.

Mission Band

Mission Band met in the Sunday School room. Mrs. Butts opened the worship with the theme: "Go ye into all the world and preach the gospel" and told the story of a little girl who became a missionary. The roll was called by Bobby McLaughlin and answered by "Where I would like to go as a missionary." Offering was dedicated by Brian Porder. Leanne Dorell brought those present up to date with the story book and Mrs. S. Dorell read the fourth chapter of Balli and Old Hippo. The children worked on their African drums.

Explorers Meet

There were six girls and two leaders present when the Explorers met last Thursday afternoon. The group that attended the Christmas Candlelight service, presented by the CGFT and Explorers of the First Baptist Church in Oshawa, reported on their experience. Mrs. S. Dorell had charge of the devotional which was centred around the Benedictus. The members were working on a paper centred for the Christmas Sunday School service.

Meet Charlie, life of the party

Quite a guy, Charlie. Tall, handsome, everybody liked him—and Charlie was the life of the party whenever their crowd got together. Take Christmas. They were all there. It had been quite an evening. The party finally broke up around two-thirty. "See you all on place tomorrow," called Charlie. But tomorrow never came for Charlie. He had made the mistake of having one more for the road. Oh, sure, he felt O.K. But he wasn't. Alcohol had dulled his reflexes and

changed his attitude toward driving. At any other time Charlie could have avoided the accident. But this time he didn't move fast enough. What Charlie didn't realize was that a few ounces of alcohol had slowed his reflexes, impaired his ability and changed his driving attitude. Your Ontario Department of Transport asks you to not take that chance. If you intend drinking, don't drive. You'll have an easy conscience and a lot more fun.

PRESS FREEDOM ENTAILS RESPONSIBILITY

Volumes are current, but criticism on the subject of press freedom. Much of this writing amounts to little more than a play upon words.

Essentially, freedom of the press entails and imposes responsibility on the part of those who constitute the press. . . If there are suggestions that freedom of the press should be inhibited, the press should subject itself to serious self-censorship in the hope of eliminating those things which prompted the suggestions.

Even those with half an eye could see that the press and we include radio and television news media was tending to drift from its intended mission, that of presenting the facts of news developments to the public. Personal opinions and comment, by dealing with and slanted reporting do not come under this heading. But they have indulged and too extensively. The end product of this sort of thing is the cause of the current attacks to press freedom.

The truth shall make and keep us free was never more applicable to anything than it is to the world's press. No one can take issue with an honest, unbiased report of the facts, coupled with the use of discretion in any given situation. It is the responsibility of a free press to ensure its continuing freedom by dealing with the facts as they are unfolded on any issue. If the press does this, it should rightly expect to remain free and fight to the end anything which may threaten that status.

ALL OR NOTHING?

The decision of the Night Raiders' hockey team management to pull the team out of play because Sunday afternoon hockey is looked upon with disfavor by Arena administration has caused many people concern. In the light of comments following the decision, two things emerge: (1) There is a considerable segment of the townspeople in favor of permitting hockey on Sunday (without admission charge), and (2) a strong feeling exists that the team's management should not adopt an "all or nothing" attitude and deprive hockey fans of their sport on one point of disagreement.

The proponents of Sunday afternoon hockey endorse the idea for reasons which, in this just a desire to see hockey played on the Sabbath. Among other things, these persons hold that there is something to be said in favor of having people, especially young people, attend a hockey game on Sunday afternoon as opposed to lingering around restaurants, prowling the streets or sitting in cars doing nothing in particular. They also point to such games as being a healthy, vigorous, and clean, healthy, and so forth in summer and ask if such things are permissible, why not hockey?

Here, throughout the whole discussion, one point seems to be overlooked: Is Sunday hockey (paid admission or otherwise) lawful here? This it would seem, ought to be determined before any decision should or can be reached.

There is another point which seems to have been overlooked but which should be examined. We refer to the fact that Sunday afternoon hockey at the Arena was not officially protested until after the election. It there any significance to this? Would it not have been better to have "lowered the boom" at the outset rather than permit a situation to develop where then action can be taken? There was plenty of advance notice to the effect that Sunday hockey game was going to be played? In the meantime, while a public notice may be temporarily stirred by withdrawing the hockey team, possibly in the hope of forcing a showdown, a more general and lasting public sympathy would be engendered by continuing to keep the team active while the issue is being dealt with. . . It would be a mark of good sportsmanship.

"I AM THE PRINTING PRESS"

I am the Printing Press, born of the mother earth. My heart is of steel, my limbs are iron, and my fingers are of brass. I sing the songs of the world, the oratories of history, the symphonies of all time.

I am the voice of today, the voice of tomorrow. I weave into the warp of the past the wool of the future. I tell the stories of peace and war alike. I make the human heart beat with passion or tenderness. I stir the pulse of nations and make brave men do brave deeds. When I speak, a myriad people listen to my voice. The Saxon, the Latin, the Mongolian, the Hindu, all comprehend me. I am the record of all things mankind has achieved. My offspring comes to me in the candle's glow, amid dim lamps of poverty, the splendour of riches, at sunrise, at high noon, and in the waning evening. I am the laughter and tears of the world. I shall never die until all things return to the immutable dust. I am the printing press. —Robert H. Davis.

Ed. Note: The above appeared immediately below the masthead of the Edmonton, Alberta newspaper "Today and Tomorrow" when Mr. P. J. Rowe of Janerville was its editor back in 1936. Its message has not altered with the passage of years nor is it likely to in the future.

WORRIES DIMINISHED

There is a popular tendency to feel that anything new is better than anything old and bound to replace it, if the two things compete.

But it isn't necessarily so. The rapid acceptance of radio, years ago, brought prophecies that newscasting would eliminate newspapers.

Then the television as a better advertising medium than radio and the diversion of advertising revenue

into phone channels worried many a newspaper publisher.

Worries have diminished. Newspapers, both as purveyors of information and as advertising mediums, have never more fully entrenched than today.

Following the disclosure of two incidents concerning rats in town recently, Sanitary Inspectors Elam said Friday he does not consider the problem to be any greater now than it has been in the past.

At last week's meeting of the Board of Health it was revealed that board members, together with Fire Chief Arnold Watson, had occasion to visit the cellar of a Kent Street residence where rats had been discovered.

While in the West they visited with several relatives and friends. Among these were his brother Mr. Wm. Foster and Birch Island. Mrs. W. F. Hardy, Ralph Hardy, Rev. Frank Hardy and their various families at White Rock, B. C.

Mr. Murray Weldon of Woodstock, doctor of optometry, visited the weekend with his father and mother, Mr. and Mrs. Herb Weldon, before leaving by air to visit his sister, Mrs. Al Watson, Mr. Watson and family at St. Kitts, B.W.I.

Coboconk workman dies following severe burns

Injuries sustained when he fell into a vat of boiling water have proved fatal to a Coboconk workman.

The alarm was sounded Sunday shortly after noon, passed day at the Ross Memorial Hospital. He had been there since Thursday, following an accident at the Quality Plywood and Veneer Co. Ltd. plant in the village.

Mr. Berry suffered first, second and third degree burns to his body when he fell into a vat and was covered from the neck down in boiling water.

Friday afternoon, OPP officers of the Lindsay detachment made a dash to St. Joseph's Hospital, Peterborough, to obtain a special supply of intravenous food for the patient after supplies at the RMH had been exhausted.

Surviving the deceased are his wife, the former Linda Priddle, and daughters, Mrs. Rose Lapier of Beaverville, and Mrs. Ernest Haycock, of Bright. The body rested at the McKnight Funeral Home for service at Christ Anglican Church, Coboconk, Tuesday afternoon.

Meet Charlie, life of the party

Quite a guy, Charlie, tall, handsome, everybody spent the weekend with him wherever they could get together. Take Charlie.

They were all at it. He had been quite a evening. The party finally broke up around two-thirty. "See you all at our place tomorrow," Charlie said, but tomorrow never came for Charlie. He had made the mistake of having one too many. Alcohol had dulled his reflexes and

changed his attitude toward driving. At any time, he could have won the race, but he couldn't. But this time he didn't move his feet.

What Charlie did realize was that the few seconds of alcohol had dulled his reflexes, impaired his ability, changing his driving attitude. You Ontario Department of Transport, you may see the chance. You can lose out on easily, just as Charlie did. If you intend drinking, don't drive. You'll have an easy conscience and save your life.

Quebec's economy "more stable than country as a whole," finance minister declares

Quebec City, Dec. 10 (UPI)—Quebec Finance Minister John S. Bourque — boasting that Quebec's economy "is more stable than most of the country as a whole" — has released a 1990-61 budget that leaves the province's economy "more stable than most of the country as a whole," he said.

However, Bourque's budget forecasts increased revenues and expenditures.

In reading his 25-page document, Bourque notes that Quebec's sounder financial position has been accomplished in spite of the federal cuts.

He says "I think it is my duty to mention that the federal government's financial position is extremely difficult and public problems for the public become increased."

Bourque estimates an increase of \$40 million in revenues to bring them to \$593,933,000. He estimates that expenditures will total \$479,700,000. An overall surplus of \$839,000 for the fiscal year ending March 31, 1990, is also forecast.

Christmas Suggestions For Admiring and Eating
Table decorations you make yourself always seem to draw more comment and compliments than the ones you buy. Among the pretties, according to the Home Economics Society of the Ontario Department of Agriculture, are Christmas trees made from ice cream cones. Place the cones sharply pointed kind, or (course) upside down on a cardboard base. Ice them with milk. Regular cake icing tinted pale green. Decorate by sticking to the Home Economics Society of the Ontario Department of Agriculture, are Christmas

Records Can Be The Ideal Gift

The Christmas holiday brings with it a wealth of stately religious hymns and heart-warming carols. Even you think add notes of listening pleasure. And, gift recordings can expand that pleasure through the whole year.

Music lovers this Christmas have a special treat awaiting them in stereophonic sound, the new tonal magic now available for home high fidelity music systems.

piece of popcorn for the very top. Pale green candles to match the icing are effective, though you can change the color or scheme to suit yourself. Use glittering sequins or tinsel to decorate your trees. If you prefer

A crusty, long loaf of French bread frozen in the refrigerator will provide insurance against shortages if unexpected company turns up during the holidays. To prepare, cut down almost to the bottom crust diagonally, every two inches for the length of the loaf. Spread the pieces apart just enough to butter each one or slip in a thin slice of cheese. You can season the butter with garlic, one of your favorite herbs, or poppy seeds. If you choose. Then press the loaf to even again, wrap it in aluminum foil and put it in the oven, at 350 degrees, for ten minutes or so.

After a day or so of over-indulgence, a fruit platter or tray for dessert never looked or tasted better. You may be sure. Drain canned peaches, pineapples or apricots until they are quite dry, then chill. Slice bananas; cut plenty of red-skinned apples into eights, leaving the peeling on; cut green, purple and red grapes in small bunches; include dried fruits; stuff prunes with cottage cheese and nuts. Assemble on a large tray or platter and garnish with red currant and cranberry relish, candied ginger, figs, dates, raisins and nuts. Place a bowl of whipped cream dressing and another bowl of cottage cheese alongside the platter and arrange a tray of assorted cheese nearby.

Birth Notice

Jeon and Jack Buey are happy to announce the addition to their family of Kathryn Jean, born on December 4th at Ross Memorial Hospital. (4216)

Cards of Thanks

I would like to thank everyone for their kindness to me while in hospital. Special thanks to Dr. Peter Gill and nurse, Mrs. Gordon Mark.

—Mrs. Viola McLean (4215)

Mr. and Mrs. W. F. Sluggitt wish to thank their many neighbours, friends and relatives for the many beautiful gifts and cards and those who called to offer their congratulations; also helped in any way to make our 50th wedding anniversary a success. (4235)

The family of the late Ernest Bryans appreciate the many acts of kindness, expressions of sympathy and floral tributes during our recent bereavement. The Bryans Family. (4239)

To Dr. Service, Dr. Blackwell, Dr. Metcalfe, nurses and staff of Ross Memorial and all my wonderful friends. My sincere thanks. Mabel Armstrong. (4245)

The family of the late Henry Hartle wish to express their heartfelt gratitude to their relatives, friends and neighbours who sent floral tributes and cards in any way helped during the recent loss of a loving father; also thanking Rev. Lester for his consoling message and the Mackey Funeral Home for their kind and efficient service. (3531)

In Memoriam

MORAN—In loving memory of our dear mother, Catherine Moran, who passed away December 28, 1955, and our dear father John Moran who passed away September 9, 1956. We do not think of them as dead.

Who walk with us no more, Along the path of life we tread. They have but gone before.

— Lovingly remembered by Edwin and Margaret. (4232)

JOHNSTON—In loving memory of a dear wife and mother, Mabel Johnston, who passed away December 23rd, 1954. Resting in God's beautiful garden.

Sheltered from sorrow and pain. Safe in God's wonderful keeping. Until we shall meet again.

— Sadly missed by Ray, Mita and Gladys. (4231)

JOHNSTON—In loving memory of a dear mother and grandmother, Mabel Johnston, who passed away Dec. 23rd, 1954. Just a prayer from who you loved you.

Just a memory fond and true Just to say how much we miss you.

For we thought the world of you.

— Lovingly remembered by Kay and Harold and the children. (4001)

JOHNSTON—In loving memory of a dear mother, Mabel Johnston, who passed away December 23rd, 1954.

Gone dear mother, gone forever.

How we miss your smiling face. But you left us to remember. None on earth can take your place.

— Ever remembered by Joyce Russell and Dianne. (4051)

JOHNSTON—In loving memory of our dear mother, Mabel Johnston, who passed away December 23rd, 1954. Summer may change to winter. Spring may change to fall. But the one thing never changing.

Was mother's love for us all. — Ever remembered by Shirley, Clarence and Family. (4041)

Announcements

In Memoriam

SMITH—In loving memory of our dear, son John Weston Black Smith who passed away 12 years ago December 22, 1947, in Kingston Military Hospital.

A beautiful memory of a loved one so dear.

We cherish still with love sincere.

The day that comes with sad regret

And one that we will never forget.

We miss his love, his cheery ways

With him we spent many happy days

In memory we see him just the same

As long as we live we will cherish his name

For we loved him too dearly to ever forget.

— Ever remembered by Mom and Dad. (3551)

BROAD—In loving memory of a dear mother who passed away January 1st, 1950. Daughter Rose. (4230)

Love's greatest gift—Remembrance.

Has Christmas Lost Its True Meaning?

Today many say that Christmas has been commercialized and has lost its true meaning. HAS IT?

It is wrong this one time in the year to make the donating theme one of giving rather than receiving? Giving has always been the major part of the Christmas theme. . . . the giving of joy and happiness to others.

Giving will remain one of the great joys of Christmas for all time to come. The idea has survived through the centuries and nothing will ever stop it. What, after all, brings more joy than seeing people happy?

The big problem usually is

FOR OVER 20 YRS.

"The Committee deems it ad-
visable and recommends to the
Council that management and
operation of the arena be re-
moved from the responsibility
of the Recreation Commission,
and that a separate committee
be appointed to manage and
operate the arena. It is also
recommended that this Arena
Management Committee con-
duct a survey into the need for
other facilities in the Town of
community centre nature,
and continue to explore the
possibility of renewing the
arena in the same or another
suitable location. Incorporat-
ing in any new building what-
ever other reasonable facili-
ties may be needed by the
Town for the future."

"It is also recommended to the
Council that serious con-
sideration be given and the
necessary monies appropriated
in next year's budget to per-
mit the lighting, fencing and
provision of drinking and toilet
facilities in the playgrounds
where such facilities are want-
ed, and so these installations
can be made by the Recreation
Commission and the Parks
Board."

"Regarding finances, the
Committee has tried to be care-
ful and economical in its plan-
making only those expenditures
which have been absolutely
necessary. The complete
story will be known when the
auditors' statement is received
but we believe we shall be
much nearer a balanced budget
got than in several years.

FIVE CHILDREN—TWO BURNED

Five children burned to death early today when
fire destroyed their cabin at Slant, Virginia. The chil-
dren, aged from 12 to 12 years old. The
other children from the same family were hospitalized
with burns and their father suffered a broken leg.
EARTHQUAKE JOLTS SICILY

At Catanzaro, Italy, the town of Catanzaro,
Sicily, which is situated in the shadow of the Mount
Etna volcano. Windows were broken and the tremor
was felt for miles. At Catanzaro, 100 miles to the west,
but there are no reports of casualties. The quake may
be an indication of new activity by Mount Etna which
in the past years has confined itself to harmless eruptions
of rocks and ash.

HOLY WORD OF PEACE
Peace John told the world today that the "Holy
Word of Peace" has been dictated and should be
beyond recognition. In his annual Christmas
card, the Pontiff said that all nationalities are talking
peace, but that none has taken the first major step
toward it. Pope John's 24-minute message was one of the
most soberly-worded of its kind delivered by a Pope
since his coronation.

SHAKE-UP IN REBELS
Unconfirmed reports in Paris tell of a shake-up in
high command of the Algerian rebels. Reports indicate
that the civilian leaders have been replaced with military
extremists pledged to fight to the end against
France.

PARTICIPATE IN YULETIDE CEREMONIES
President Eisenhower, bringing merry Christ-
mas wishes from countries he toured on his peace mis-
sion... will participate in Yuletide ceremonies this
afternoon at the White House. The president will light
a Christmas tree, and is expected to report briefly on
his 11-nation peace tour. He arrived at the White House
last night after a day's visit with him at breakfast in
Madrid and lunch in Casablanca.

NO CUTTING DOWN
External Affairs Minister Howard Green says Cana-
da has been living up to her commitments in NATO and
there's no "cutting down." Green arrived back in
Ottawa yesterday from Paris where he attended NATO
ministerial meetings. He pledged continued Canadian
support for the Atlantic Alliance.

UNDERGROUND COMMUNICATIONS CENTRE
Defense Minister George Pearkes says that work on
an underground army communications center for use in
the event of a nuclear war will likely be resumed
next year. Work last week when the Defense Depart-
ment stopped work at Alamoite.

THREAT OF EXPLOSION
Police and firemen are posting an around-the-clock
watch on a construction site in Toronto where there is
a threat of a gasoline explosion. Police say that a
gasoline has seeped through the soil into an unfinished
basement. The contractor, Donat Summerville has
ordered an investigation to determine where the gaso-
line is coming from.

FACTS FOR FARMERS
Some news of special interest
to our farm subscribers

Mink Rations
The Department of Agriculture has released
some information that will be
valuable mink farmers, to Canada's
mink farmers.

It says that chicken waste
and fish can be used to re-
place 66 per cent of the
meat in standard mink rations
during the breeding and re-
productive season.

Dr. C. K. Gunn of the de-
partment's experimental fur-
ranch at Simmerdown, P.E.I.,
says that comparatively good re-
sults were obtained in breed-
ing activity of male and female
mink, the numbers (completing
pregnant, the total kittens
born, the records of body-
weight, and survival of the
kittens to weaning date.
There were 143 kittens born
to 30 female minks in the
chicken waste-fish supplement
ration, as compared with
118 on the control ration con-
taining meat.

No significant differences
were recorded in average
bodyweights taken in January
and March of this year for
the control and experimental
groups of mink.
Chemical analysis showed
chicken waste to be signifi-
cantly higher in fat and lower
in protein than fish which
had about the same amount of
these nutrients as horse meat.
The fish was frozen storage
and flounders in equal
parts, while the chicken
waste consisted of dehydrated
best-fed fish gullets, intestines,
quarters and developing eggs,
but no feet, heads or liver.
The experimental ration was
cheaper than the control horse
meat ration.

So if you're a mink you want
to feed cheaply during in-

ONE NHL GAME ON TAP

The National Hockey League has one game on tap tonight, then the hoop is idle until Christmas night, Chicago is at New York in the lone game. No games were filed last night. In the American Hockey League, Springfield beat Quebec, 3 to 1, in the only game last night. That circuit is also idle until Christmas night.

EASTERN HOCKEY LEAGUE

In today's Eastern Professional Hockey League action Hull-Ottawa is at Sudbury. Yesterday the Royals downed Three Rivers, 20, and Sault Ste. Marie edged Hull-Ottawa 4-3.

LEAFS INJURED PLAYERS RECOVERING

The Toronto Maple Leafs expect to have two of their injured players back in harness by the weekend. They are Dick Duff recovering from injuries to both legs and Jim Stewart who suffered a bruised ankle. The Leafs management said Larry Regan and Bert Olinast will not be in the lineup, because of injuries, for games this weekend against New York Rangers.

NEW QUARTERBACKS FOR ARGOS

Remember Ronnie Knox? Well, the quarterback-turned punter who left the Toronto Argonauts in mid-season this year may be replaced next season by a full-time veteran named Tobu Rote. Rote—late of the Detroit Lions—is one of the three "name" quarterbacks on the Argos' negotiation list.

SECOND AND THIRD RANKED WELTERWEIGHTS IN ACTION

The second and third ranked fighters in the welterweight division square off at Miami Beach tonight and the winner hopes for a crack at Champion Don Jordan. Luis Rodriguez is unbeaten in 25 fights and is rated an 8-5 favorite to beat third ranked Sugar Hart of Philadelphia. Rodriguez' Cuban, has only eight knockouts compared to 21 by Hart in 28 pro victories.

ONE MORE BERTH TO BE FILLED

Only one more berth has to be filled in the New Continental Baseball League. The seventh franchise was accepted yesterday when Dallas-Fort Worth entered. Luis Rodriguez, president of the league, said the franchise was contingent on the building of a big county sports stadium. But that's expected to be built in 1961. The new governing committee between Fort Worth and Dallas.

NAMED MANAGER OF BUFFALO BILLS

Dick Gallagher, a one-time college coach and the man who helped build the Cleveland Browns, has been named general manager of the Buffalo Bills of the new American Football League. The 45-year-old Gallagher will take over his duties on Jan. 1st.

ALL-STAR FOOTBALL TEAM

The Baltimore Colts and New York Giants have put 12 players on the National Football League All-Star teams named by the U.P. International. End Ray Berry of the Colts and fullback Jimmy Brown of Cleveland were unanimous choices on the offensive team. Linebacker Sam Huff of New York missed by one vote as a unanimous pick on the defensive unit.

LEONARD TO COMPETE AT ST. ANDREWS

Stan Leonard, one of Canada's all-time great professional golfers, will step up his busy schedule next year. Leonard will compete in the 100th presentation of the British Open at St. Andrews, Scotland, the birthplace of golf. It will mark his first crack at the Open and his first trip to St. Andrews.

WESLOCK NAMED TOP AMATEUR

Nick Weslock of Windsor Essex has been chosen Ontario's top amateur boxer of 1959. He was Canadian amateur champ in 1957. The association picked Gary Cowan of Kitchener as second, Bob Panasiuk of Windsor as third and Phil Bromberg of Scarborough as fourth.

Finney's Lumbermen Outscore Port Credit 6-2 In Fast Thriller

In a fast exciting game that the local ice palace, Finney's lumbermen completely outscored Port Credit 6 to 2.

The first period started out fast with Finney continually carrying the play into enemy territory and only some superb goalkeeping on the part of the Port Credit custodian kept the boys off the score sheet. However at the ten minute mark Tommy Hutton notched his first goal of two, assisted by McGill and Gowden. After repeated forces into the enemy's zone Hutton again clicked off for his second goal of the night at the 18 minute mark. The first period ending two to nothing for Lindsay.

Although play raged on into the other half of the second period, with both goals being tested repeatedly, there was no goals scored, period ending Lindsay still 2, Port Credit nothing.

In the third period the play slowed down somewhat with lack of condition being felt by both clubs. However Lindsay still kept the pressure on until finally two more goals were scored, first by Jack Graham who completely outguessed the goalkeeper and tucked the puck into the corner of the net. The second goal was a blistering shot that came from close in, after the four.

Found these two goals Lindsay appeared to let down a little and before they regained composure Port Credit had flashed the red light twice behind Kenna who had been blind up to this point.

Both of these goals were scored by Spragg, who had formerly played in the Lake Shore League in the colors of Port Hope. Before the period had ended Lindsay added two more markers from the sticks. Jack Smith and then Jack Horton, the game ending six to two Lindsay, although this was the first game for Finney's Lumbermen.

Press paid tributes by Mayor, Council

Mayor Lloyd Burrows, speaking at the conclusion of the final meeting of the 1959 Council on Tuesday evening, paid tribute to the fine and extremely fair coverage given the Council meetings by the press.

"We have had our share of

publicity both good and bad, and I would like to thank the newspapers for the fair manner in which they have reported Council meetings," declared his worship.

The mayor said he was sorry to see Councilor MacCauley coming to the end of his tenure of office. He said he felt the Councilor had made a good contribution to the city in his two years on Council.

Councilor MacCauley, replying to his worship, said he enjoyed immensely his work as a Councilor of the town. He wished the 1960 Council good luck and said he hoped they had a busy but fruitful year.

Councillor Jos. Huton said that although the Council had been accused of being complacent this was far from the truth. "We settle all our differences among this table, we do not take them home with us," declared the speaker.

Mr. Huton said he felt Council had a good year. "We are all working men doing our best for the betterment of Lindsay," said the Councilor. Councilor Jas. McQuarrie in paying tribute to the diligent manner in which the press had recorded the Council proceedings said he would like to pay tribute to the fine assistance he received from Town Engineer J. N. Timberlake. Mr. McQuarrie said it requires a great deal of perseverance to sit in Council all day.

Chief urges local drivers get on Safe-Tea Cup wagon

During the three-week period which commenced December 15th and ending January 14th, Lindsay will be competing with other communities across Canada for the honor of receiving the National Safe-Tea Cup Awards. This year was announced by Police Chief John Hunter today.

These awards are to be presented by the Tea Council of Canada, as part of its annual safe driving program. They are for outstanding achievement in traffic safety during the critical Christmas and New Year holiday season.

"It will be a great credit to all of us if Lindsay is among the winners," the chief declared, adding, "More important by far than the distinction of being awarded the trophy, however, will be the result in terms of lives spared and property left undamaged."

"Therefore, I implore all our citizens, not only drivers but pedestrians, too, to pay close attention to the rules of traffic safety during the holiday period. Perhaps we shall be among the winners. But even if we are not, the effort will be well worthwhile in helping to curb the accident toll that brings tragedy into so many Canadian homes at this time of year."

Boxing Day civic holiday

At Tuesday's December meeting of Lindsay's Council, December 22, Boxing Day, was declared a civic holiday for the town of Lindsay.

A request from the T. Eaton Co. Ltd.'s Lindsay store for the removal of three parking meters from York Street N. P. Gasien was referred to the 1960 Police Committee for action.

Tenders for a new police cruiser were referred to the 1960 Police Committee for its report.

Girls' choir will open talent series

It was learned this morning that a local firm is sponsoring a series of radio programs starting this Christmas to focus public attention on the talents of Lindsay children.

Declining to be identified with the project at the moment, the company indicated the programs will be broadcast over CKLY Lindsay and will number four or five yearly Christmas, Easter, Thanksgiving and so forth.

The girls' choir of St. Jos. of the Convent is to be heard at 6 p.m. Christmas Day.

Juniors romp to 9-2 victory

Salvation Army Home League Holds "Snowball Meeting"

The Salvation Army Home League held their Christmas Party at the Citadel recently. The party took the form of a Snowball Meeting with each lady very capably performing the part of a "snowball" in the game.

Mr. H. Rahm led in the first carol which was "Silent Night." Miss Dorothy Syne offered the opening prayer, and the Lord's Prayer was repeated in unison.

The scripture lesson, The Christmas Story, was read from St. Luke by Mrs. C. Carr. After which Mrs. T. Langley read "What I Like Most About Christmas."

Mrs. Siddle read a beautiful poem entitled "Let Us Keep Christmas," and Mrs. Carr read the minutes of the previous meeting. Mrs. F. Langley led the ladies in singing "It Came Upon a Midnight Clear," followed by a heart-warming poem entitled "Two Hitts," by Mrs. A. Rhodes.

Mrs. Humphries read "A Recipe for Making Snow," and the carol "Away in the Manger" was sung. After a lovely Christmas Meditation read by Mrs. Stevens, Mrs. Wilson offered "A Christmas Eve Prayer."

The Home Leaguers then joined in playing delightful games and gifts were exchanged. Each member brought a small portion of her own home made Christmas specialty, and this provided a very dainty and beautiful lunch. The lunch was served by Mrs. Stevens, Mrs. Humphries and Mrs. Carr.

The Lindsay Juniors romped to a 9-2 victory over Bobcaygeon in a Junior "A" hockey game played at the Can Canning Arena Tuesday evening.

There was no scoring in the first period but the locals went to town in the second and third periods, their fast skating tear-wide gaps in the visitors' defensive unit.

Exhibition Game

The management of the Lindsay Intermediate Hockey Team—Finney's Lumbermen announced this morning that an exhibition game has been arranged for Tuesday next at the Kiwanis Arena, when the Port Hope team will be the visitors.

Prepare Silver
Before the holiday enter-

one thing you can do is get your
best china and silver ready for
use. After washing and clean-
ing, dishes and silver, wrapped
in household saran film to keep
them free from dust and tarnish,
they can be put away safely for
company at a moment's notice.

Prestige Symbol
As a prestige symbol, snow
melting installations may seem
like a winter substitute for
the swimming pool. These
consist of pipes buried in the
surface material through which
heat is circulated to melt the
snow. The efficiency of snow
melting systems has recently
been demonstrated by the
development of an ethylene glycol heat
transfer medium specially de-
veloped for this use.

A Recipe for a Merry Christmas

Subject of Christmas Meeting

Robcaygeon (PNS)—The reg-
ular meeting of Trinity United
Church W.A. Robcaygeon was
held in the Sunday School
room. The president read a
Christmas prayer, which was
followed by a card and the
Lord's Prayer. The minutes
were read and approved and
the correspondence dealt with.
Also a letter from the Ontario
Hospital, Smith's Falls, was
motioned by Mrs. Simson, sec-
onded by Mrs. Lister, it was
decided to send articles to the
children at the hospital from
Robcaygeon and also include
extra parcels to be distributed
to any child not receiving a
gift. Mrs. Parly and Mrs. Geo.
Blick to do the purchasing and
see that they are sent on and
way. The roll was called and

the treasurer gave her report.
The Welfare convener men-
tioned sending sympathy and
get well cards during the
month and 16 visits were made
to homes and seven to hos-
pitals by the members.
Gene Taylor at this point
presented two piano selec-
tions. Both were beautifully played
and much enjoyed.

Mrs. H. Johnson occupied the
chair for the devotional por-
tion of the program. The sub-
ject, "Perfect Harmony". And
above all these, put on love,
which binds everything to-
gether in perfect harmony".
Mrs. R. Johnson read the
scripture lesson. The top ex-
planation and prayer as given
in the W.A. booklet, were read
in union.

Mrs. Morrison gave a Christ-
mas message, "A Recipe for a
Merry Christmas". There are
three ingredients, first—All
friendships in good repair. We
must rid ourselves of all
grudges and grievances, all
the hard and uncharitable
feelings which poison our sys-
tem in relation to others. Sec-
ondly—Getting right with peo-
ple will always involve getting
right with God. It will help
us give a little of ourselves
with our gifts because we love
and care and because God
made the first Christmas Day
by giving the greatest of all
His gifts. Thirdly—We must
put Christ into Christmas and
it will have more meaning
than other festivals. It will
carry beyond the glamour and
festivity of the season, the
hallowed memory of the birth-
day of a King, whose name
above every name. It will
give the joy and the lift it
is intended to bring and help
us to become the kind of per-
son we wish to become.

Rev. C. R. Hopkins took
charge of the elections. Mrs.
Parly and Mrs. G. Blick, the
nominating committee appoint-
ed at the November meeting
brought in a slate of officers
for the year 1960. These were
unanimously voted in: Past
President, Mrs. O. Taylor;
President, Mrs. O. Coulter; 1st
Vice President, Mrs. J. Wilkin;
2nd Vice President, Mrs. R.
Johnson; 3rd Vice President,
Mrs. H. Simson; Secretary,
Mrs. W. Thurston; Treasurer,
Mrs. C. Kerr.

Mrs. Hopkins on behalf of
the members thanked the 1959
—1959 executive, especially
Mrs. Taylor, the president, for
her splendid work during the
past two years.

The January meeting will
be held at the home of Mrs.
O. Taylor, with the committee

TURKEY SHOOT TIME

This is the time of the "tur-
key shoot." From now until
Christmas in the rural areas of
southern Ontario, hundreds of
Ontario Marksmen—and wo-
men—will turn out to fire at
targets or buy raffle tickets
in an effort to obtain a Christ-
mas bird. The shoots are en-
couraged by Dept. of Lands
and Forests, inasmuch as they
help reduce the pressure on
the hunting of wild birds.

Many of the shoots are spon-
sored by fish and game pro-
spective associations and ser-
vice clubs as a means of mak-
ing money for their particular
projects, most of them chari-
table. Given the proper organi-
zation and reasonable weather
there's money in the turkey
shoot.

One of the most attractive
features: No matter how good
a shot you may, or how good
your equipment, it doesn't
necessarily follow that you'll
win a turkey by shooting for
it. The man or woman, who
never fired a shotgun in his
or her life has just as good
a chance as the most expert.

Let's visit a typical southern
Ontario shoot. This one took
place on the farm of W. G.
Newman, about 25 miles east
of Toronto. It was sponsored
by the Rouge Hills-Pickering
Lions Club and operated by
the Pickering Rod and Gun
Club. Shooting began at 12:30
p.m. and continued until dark.

Two targets were set up in
metal holders with the holders
numbered, about 75 feet from
the firing line. Safety precau-
tions suggested by Lands and
Forests in hunter safety course
were followed closely.
There were no loaded guns
except those actually being
fired—and pointed at the tar-
get. In a nearby shed was a
long row of plucked but
uncooked turkeys. Elsewhere,
women of the club were busy
serving coffee and refresh-
ments.

Admittedly there's a gimmick
which prevents anyone from
taking undue advantage of his
or her skill with a shotgun.
The operators of the shoot
provide the shells. That's the
secret. The shells are loaded
with No. 7½ shot—about 150
very light pellets per load.
That means that they scatter
and in many cases fail to "car-
ry" to the target. The mark-
smen advance to the firing line
and are given one shell which,
in most cases, is actually in-
serted in the breech for them.
There's a leaning rail to give
added stability, but it really
doesn't mean much, the shot
is fired. A whistle is blown at
the firing line, guns are checked
to see that they are un-
loaded and two "butt" men
who have been hidden behind
the stone foundation of a barn
then pick up the targets, each
of which has been numbered
to correspond with the name
of the marksmen. The pellet
holes are counted and the
winner is the marksmen who
has most pellet holes in the
cardboard target. Seventeen
or eighteen (out of the 150
pellets were shell) strike the
target—if you're lucky.

Angels

Christmas decorations that
cost a lot to buy can be made
very inexpensively at home
from Styrofoam, the plastic
foam material available in a
variety of shapes and sizes. An
example is stylized angels made
from triangles and balls of
Styrofoam. Other materials
needed are: toothpicks for eyes
head to body, gold spray paint,
angel hair, sequins for ears
and mouth and gold metallic
mesh for wings attached with
pins. Two or three of these an-
gels make a striking table or
mantle decoration.

May we take this opportunity to thank you for
Your Patronage and to wish you
A Very Merry Christmas
and a Prosperous New Year

Christmas Atmosphere Surrounds Auxiliary Meeting

A beautiful Christmas atmosphere was achieved in the lower hall of Cambridge St. United Church for the December meeting of the afternoon auxiliary of the W. M. S. This was created by a lighted Christmas tree, a large twin set, a candelabra of lighted red candles and the playing of Christmas carols by the pianist, Mrs. D. Fulton.

The retiring president, Mrs. Graham, presided for the opening exercises and the business period. The minutes of the November meeting were read by the secretary. The treasurer's report showed \$979 already raised. Mrs. Golden expressed her appreciation for the members for having exceeded the allocation of \$950 and also voiced her thanks to the Evening Auxiliary for their contribution of \$150 and to the afternoon W. M. S. for \$100 toward this allocation.

Mrs. Murdy reported "Get Well" cards sent to Mrs. Robt. Hope and Mrs. Betty and a sympathy card to Mrs. Moxon in the loss of her father, also 16 Christmas cards to sick and shut-in. Mrs. F. Walden presided for the devotional period, opening with carol No. 47, "O Come All ye Faithful." The offering was received by Mrs. Johnson and Mrs. Weldon and dedicated by singing "We give Thee but Thine own." A beautiful solo, "The Chiming Bells of Heaven" was rendered by Mr. Percy Skitch accompanied by Mrs. Skitch. The Christmas story from Luke 2, was read by Mrs. Weldon followed by prayer by Mrs. McEwan.

A very appropriate Christmas message for "Refugee year" was delivered by Rev. K. McLean who based his remarks on the verse from Matthew, "I have seen His star in the East." He said, this is the motto that expresses all we try to do. In days of darkness and sorrow, stars shine more clearly against the darkness." He shared with his

Mrs. Graham in varying the chair, thanked the members for their co-operation throughout the year, after which Mrs. Golden presented Mrs. Graham with a gift for her year's service as president.

Mr. McLean then installed the following officers for 1960: President, Mrs. E. Danon; Mrs. Rackham; Mrs. McLean; Past Pres.: Mrs. W. Graham; President: Mrs. W. E. Rogers; 1st Vice: Mrs. Graham; 2nd Vice: Mrs. G. Greaves; Sec.: Mrs. E. Weldon; Corr. Sec.: Mrs. S. Murdy; Treas.: Mrs. Chas. Golden; Christian Sec.: Mrs. G. White; Christian Citizenship: Mrs. E. Tompkins; Comm. Friend: Mrs. C. Dalton; Supply: Mrs. McEwan; Assoc. Members: Mrs. F. Walden; Literature: Mrs. S. Dix; Press: Mrs. L. Scott; Plan: Mrs. D. Fulton; Nominating: Mrs. Chas. Stone; Mrs. W. McEwan; Mrs. Golden; Finance: Mrs. Rogers; Mrs. Graham; Mrs. W. E. Weldon; and Mrs. Golden.

Mrs. Rogers then took the chair and closed the meeting with "Silent Night" and the benediction by Mr. McLean. After which the committee in charge served sandwiches and Christmas cake and a social time was enjoyed.

Values at Christmas Theme of Meeting

Janetville (PNS)—A very pleasant Christmas meeting of the Janetville W.I. was held at the home of Mrs. H. Moxon. The meeting opened with the Ode, the minutes were read and approved and the correspondence dealt with.

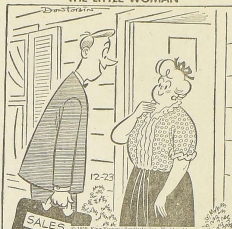

The usual donation is to be sent to the Sick Children's Hospital, a get-well card to Mrs. Tall in Civic Hospital, Peterboro and a birthday card to Mary Lou Walker, were signed by members. Also remembrances to each. The motto for the day: "Patting Christ Back in Christmas", a real challenge in this commercialized age. Mrs. T. Wright gave the treasurer's report—the proceeds from the turkey supper and sale were very gratifying.

The program convener, Mrs. Wright, called upon Mrs. McEwan to read the Christmas scripture lesson Mrs. F. Bradburn, Mrs. Malcolm, Mrs. McEwan, and Mrs. Moxon, all contributed Christmas readings and several carols were sung. Mrs. Sonerville then gave a fine address with accompanying Christmas story theme "On what do we base our values at Christmas: time, material values, or spiritual values? Sharing, self-denial and creating love" was Mrs. Sonerville's definition of the Christmas spirit. The beautiful "Silent Night", concluded the program.

A couple of contest provided by Mrs. McEwan were much enjoyed. The meeting closed with the Mary Stewart Collect.

The roll was called and the Christmas exchange took place. Lunch was served by Mrs. O. English, Mrs. Wright and Mrs. Moxon. Mrs. Johnson expressed the thanks of all for the hospitality received, to the lunch hostesses and those participating in the program.

Ladies Groups Meet to-gether, Christmas theme

Woodville (PNS) — The Christmas meeting of Knox Church W. M. S. and W. A. was held at the home of Mrs. Charles Veale with twenty-six ladies present and Mrs. C. J. Beckley, the W. M. S. president in the chair.

Mrs. Beckley opened the meeting with the reading of a short article by Norman Vincent Peale. A Christmas Carol was sung after which Mrs. Hill read the Scripture lesson. Mrs. Neil McMillan led in prayer and another Carol was sung.

Mrs. C. Veale read an article from Glad Tidings written by Miss Irene Striving, one of our Missionaries in Am-hut.

Mrs. Beckley then told a very appropriate story on the Christmas theme. At this time after a few words of regret by Mrs. C. Veale, that Mrs. Adair, one of the faithful members was leaving the Community to make her home in Ottawa, Mrs. E. Faed on behalf of the ladies of the W. M. S. and W. A. presented Mrs. Adair with a W. M. S. Life Membership pin.

Mrs. Adair very graciously thanked the ladies for their gift and expressed best wishes for the work of both organizations.

The business part of the meeting followed. Minutes of November meeting were read and approved. Roll was called and the offering received.

Poinsettias and Pine Boughs Setting for Tea and Bazaar

A profusion of blossoming poinsettias made a very attractive Christmas-treasure for the tea table at the Poinsettia Tea held by the ladies of the Order of the Eastern Star. It was truly a preview of the festive season to see the room so beautifully decorated with pine boughs and Christmas decorations. Each tea table had its own lovely poinsettia plant made by Mrs. Irene Stephens.

Mrs. Elsie Wood and her committee had a wonderful variety of homemade cakes, bread puddings, etc. which were quickly sold. Mrs. Gertrude Pfeiffer and her group from Plover Falls had a very tempting variety of candy.

Thank you notes were read and the Treasurer's Report given.

Mrs. Davies, Welcomes and Welfare and Glad Tidings Secretary, reported 70 visitors made this year and also three new subscriptions to Glad Tidings for 1960.

The Christmas boxes for the sick and shut-ins are to be packed at the home of Mrs. E. Thompson.

This being the annual meeting Mrs. E. Faed took the chair for the election of officers. On motion of Mrs. Ralph Veale and Mrs. D. Ferguson, all officers were returned for 1960.

Mrs. C. J. Beckley closed the W.M.S. meeting with prayer.

Mrs. G. Buttrick took the chair for a business meeting of the W. A.

Minutes of the last meeting were read and approved. Roll was called. Treasurer's report was given and offering received.

The annual community Christmas meeting to be held in the United Church was announced and financial arrangements for the Mason's late dinner were made.

On motion of Mrs. E. Faed and Mrs. Cecil Simpson the W. A. is to pay for any equipment which Mr. James Anderson may need in taking care of the church.

Mrs. Neil McMillan then gave the report of the Nominating Committee and returned a full slate of officers.

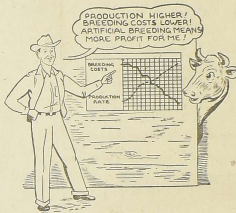

Mrs. Botteff thanked the W.M.S. for their programme and Mrs. Veale for the use of her home, after which the Mizpah Benediction was repeated in unison.

A delicious lunch was served by the Committee in charge and this occasion proved to be no exception.

More hard luck on those of countries with different aims, plaques club inspector tells teacher-trustee banquet

It was confirmed early Monday p.m. that the Lindsay Juniors Hockey team, plagued by a series of misfortunes since the start of the season will play its home game against Bobcaygeon at the Cannington Arena, Tuesday evening instead of before 40 hours notice and at least 24 hours notice on match arrangements. "Due to the present Recreational Committee's inability to be able to give any teams any definite as to what was 'whatsoever' the speaker declared.

Tri-car pileup hurts one, loss may run to \$4,000

Frost says Ontario will care for tubercular refugees

Toronto, Dec. 22.—(UPI)—Ontario Premier Leslie Frost said today the province will take all the tubercular refugees that the federal government assigns to it. He said Ontario has nothing to do with determining the number coming here but is prepared to accept any who are sent to it. One-third of the Canadian population lives in Ontario and the province's "policy of tubercular" refugees would be one-third the total.

Shouldn't be misled into patterning schools on those of countries with different aims, inspector tells teacher-trustee banquet

"We should not be misled into patterning our schools on those of countries which have very different social aims than ours," This opinion was expressed by Public School Inspector D. R. MacDonald at a banquet in Queen Street United Church Hall attended by 125 Lindsay teachers and school trustees. Mr. MacDonald is inspector of district three, Victoria County. "An important question for all concerned with children is: What type of training must we give the present generation of children which will prepare them to live successfully as adults in 20 or 25 years—say the 1980's? Mr. MacDonald declared. He went on to say: "While we cannot foresee the exact social and economic conditions which will prevail in 25 years hence, I believe that we can formulate general policies which will prepare children for successful living."

"The great technical advances during the last two centuries, particularly in the twentieth century, have brought many blessings to ordinary people. On the other hand, the same advances have created social ills which have come as a result of industrial development and urbanization have created social ills. In Canada, the change from an agricultural to an industrial economy during the last quarter of the nineteenth century has necessitated drastic changes in our way of living. The programmes of our schools must be broad and comprehensive, designed to prepare the children of this age to the full. We should be misled into patterning our schools on those of countries which have very different social aims than ours. I believe that our schools have the potentialities for preparing children for successful living in the future but they need the help of the parents. It is the adult if they are to perform their maximum service."

Mrs. Marian Skitch introduced the Leslie M. Frost Award for outstanding students. Mrs. Brown introduced Central Senior School Staff, Mr. F. C. Delaney, Mr. J. MacFarlane, Mr. J. A. Staff, Mr. R. Neville, introduced the King Albert Staff. Mr. Stan Brown introduced the Leslie M. Frost Award. Mr. Duncan Watson introduced Victoria School Staff and Mr. J. MacFarlane introduced Board Members. Rev. Lester welcomed all.

Mrs. Skitch paid tribute to the Board for their time and selflessly given to provide for the best possible education for children of this community. She thanked Mr. Earl Wood for providing places which were designed by him in his art classes. John G. Staples (retired principal) and Mrs. Staples were thanked for their help. In solemn respect the gathering arose to observe one minute's silence in honour of Mr. Justice MacCallum. Mr. J. F. Wood, Mr. John Wilford and Mr. W. S. Battersby,

Estimated \$1,400 damage in two-car collision

Damage is estimated at \$1,400 following a two-car accident at the junction of Rusty St. and Victoria Ave. last Saturday. About good samaritans and trying experiences

Mount Hope. — (PNS)—Last week. Just after Mr. Lawford left for work in Lindsay, Mrs. Lywood smelled smoke. She checked the furnace and could locate nothing wrong but upon entering a bedroom she found a full of acid smoke that was pouring out a stoppered bottle. Mr. Lawford, looking into the chimney. While Mrs. Lywood tried to find the cause, the smoke from the two nearest neighbours for help. Messrs. Hart and Lawrence, who were in the distress, Samartian made sure a tow truck was sent to his aid and the roof or other buildings were saved and much as the fire was located inside slipping and sliding the car was again made mobile. Last week. Mrs. and Mrs. Lywood are thankful that a major fire did not develop as the winds were very high at the time and from a westerly direction putting wood had quite a scare one very cold and windy morning any sizeable blaze.

Estimated 625 children, parents at Christmas party

The Legion Hall was swamped Monday evening when an estimated 625 children and their parents attended the annual bazaar for the St. John's branch, Canadian Legion, Christmas Party. The crowd was not as large as had been anticipated. Secretary-manager Lloyd Burrows said this morning. A biting cold wind is thought to have been responsible for many people staying indoors. All of the children were presented with gifts before meeting Santa. On the way into the auditorium each child was handed a card of candies and an orange. Films were part of the entertainment that followed.

Guest Speaker, Rev. Stovell, Topic "What is Christmas"

The Lindsay W. L. held their annual Turkey Supper on the occasion of their December meeting in the Town Hall recently. The tables were prettily decorated with red candles and coloured buns. A delicious banquet had been prepared by the Conveyers Mrs. L. Hutton and Mrs. E. V. Brown and their committee, which was much enjoyed by all the members. Guests of honour were the Rev. H. B. and Mrs. Stovell. After the banquet Mr. Stovell gave an address in which he stressed the meaning of Christmas. He stated that although December 25th is not the actual date of the birth of our Lord, it is the time of Christmas. He stated that although December 25th is not the actual date of the birth of our Lord, it is the time of Christmas. He stated that although December 25th is not the actual date of the birth of our Lord, it is the time of Christmas.

Mr. Pepper said the committee had agreed to this move because of the late start to the season by the club. "We gave the green light for an unusual Christmas game as well," added Mr. Pepper. The chairman went on to state that the way the program was being run appeared as though the club had been given exclusive use of the committee members. "The agreement was that the club have four hours of ice time on occasional Sundays," Mr. Fred Emerson said the agreement stated that only the recreational practice game would be played. There was to have been no promotion whatsoever," declared Mr. Emerson.

One member of the club asked the committee why admission was charged at the Rotary Swimming Pool on Sun day and hockey was discriminated against. It was agreed by the committee members that the situation was not fair. "It is just a case of someone who has two weeks and getting away with it," declared one of the members. The Sunday sport issue came up again when the Recreation Committee informed the sponsor, Mel Cunningham that an exhibition game scheduled for Sunday, Jan. 3, would have to be cancelled. The members of the club would have to be cancelled.

Four children, grandma perish in Mattawa fire

Mattawa, Dec. 22.—(UPI)—Four children and their 74-year-old grandmother were burned to death in a fire on the outskirts of the Ottawa River town of Mattawa early today. The parents of the children, 47-year-old Edgar and Lorraine, and their 11-year-old son, 10-year-old daughter, and 7-year-old son, were killed in the fire. The bodies were found in the ruins of the home. The fire broke out in the living room. The fire broke out in the living room. The fire broke out in the living room.

SOMETHING DIFFERENT IN MENUS

Judging by a copy of the Christmas Day menu of the Ross Memorial Hospital, the patients and those who will be dining with them will have a choice of some very appetizing items. However, it wasn't the food listed on the menu which impressed us most when the specimen copy came our way . . . it was the attractiveness of the menu's design.

At first glance one got the impression that here was a very appealing example of colour printing, but closer examination revealed this was incorrect. . . . The menu's design had been hand-coloured in crayons. The design incorporates 34 crayon-coloured pictures, two of Santa Claus filling the Christmas stockings hung on the fireplace, two showing his offer of a choice of gifts to his reindeer and two of the Virgin Mary and the Christ child.

It's amazing what beautiful things can be achieved with a few basic materials and a little ingenuity, isn't it? Those responsible for the hospital's Christmas menu deserve a special compliment of the season.

MR. JOHNSON AND THE ARENA

When Mr. Harry Johnson took over the management of the Lindsay arena, he walked into a spot of trouble, trouble which was not of his making but which appears to have been the cumulative result of improper management. It is unfair, therefore, to connect him with all the ills associated with the arena. Instead, he should only be identified with the affairs of the arena as from the time he took over its management.

One of the great weaknesses in connection with the operating of the arena (a publicly-owned venture) has been to look around for a scapegoat whenever something went wrong, instead of looking to the management. It is unfortunate that this attitude always seems to become a secondary matter while the search for someone on whom to pin the blame assumes primary importance.

Throughout the history of the arena there have been glaring examples of neglect in connection with the building itself. Some of these examples still exist, as take the case of the wall at the north end of the building. It has been extensively battered by cars parking alongside.

Until attention is focussed on the predisposing causes of the problems arising from the use at the arena, they will not only continue to occur but their frequency will probably accelerate.

Anyone can "pass the buck" or select a scapegoat. It is more intelligent to get at the source of the trouble and correct it.

In the meantime, Mr. Johnson is the manager of the arena and he should be given every co-operation in carrying out his duties.

He is directly responsible to the town's recreation committee and it is his duty to set policy and see it carried out.

POOR CHARLIE IS NO LONGER THE LIFE OF THE PARTY

Poor Charlie won't be the life of the party this Christmas or any other Christmas to come. As a matter of fact it is the third Christmas party since he was and has his last appearance in that role. . . . He was killed in a car accident following his last lively outing.

Many people are now familiar with the late Charlie, one-time life of the party, thanks to the efforts of the Ontario Dept. of Transport which has gone to great lengths to publicize the tragic circumstances surrounding his death in the hope that others might be spared a similar fate.

The department, in an outstanding advertisement, shows Charlie sprawled full-length on the highway a short distance from a wrecked car. He is quite dead and a blanket covers most of his body. The dramatic ad invites readers to "Meet Charlie, life of the party" and this is what it says about him:

"Quite a guy, Charlie. Tall, handsome, everybody liked him—and Charlie was the life of the party whenever their crowd got together. Take Christmas. They were all there. It had been quite an evening. The party finally broke up around two-thirty. "See you at our place tomorrow," Charlie called out. But tomorrow never came for Charlie. He had made the mistake of having one more for the road. Oh, sure, he felt O.K. But he wasn't. Alcohol had dulled his reflexes and changed his attitude toward driving. At any other time Charlie would have avoided the accident. But this time he didn't move fast enough. What Charlie didn't realize was that a few ounces of alcohol had slowed his reflexes, impaired his ability and changed his driving attitude. Your Ontario Department of Transport asks you not to take that chance. If you intend drinking, don't drive. You'll have an easy conscience and a lot more fun."

A GRIM FORECAST

It has been predicted that 36 people will lose their lives in Canadian traffic accidents during the Christmas weekend. This is a grim forecast which all people who have a reverence for life should strive to prevent becoming a reality.

The cherished hope of every right-thinking person at Christmas is that it will truly be a time of peace and good will, a reminder that these things, enjoin with love of our fellow man, are the really worthwhile objectives of our lives. Violent death, whether it be on our highways through motor vehicle accidents, or in whatever circumstance, does not belong to Christmas.

Will you do your part this Christmas season to ensure that you do not contribute to violence of any kind? Drive carefully, reflect on those things which are of goodwill, and you will make a big contribution to a joyful Yuletide.

For the children

The Editor, Barrie, Ont.
Lindsay Post, Christmas 1959
To You, Christmas, sends

We want to express our Greetings with warmth and sincerity to you, Christmas, and to the children, who have chosen a different approach this year.

On your behalf we are sponsoring, through The Canadian Save the Children Fund, two youngsters in far-off lands. Throughout the coming year these small, happy victims of circumstance will receive, not only food, clothing and medical care, but also faith and hope, knowing that someone somewhere cares.

In Austria, Gisela is a feeble girl with a twin sister. Her father is dead and the mother of the girls, although not healthy herself, goes out to work.

to try to keep the family together. Then there's Georges To You, Christmas, sends one of a large family in Athens, whose father is in hospital. The father's mother, who is 70 years of age and suffers from arthritis, also lives with the family in two rooms and a kitchen.

So at this time of the year when a birth is foremost in the hearts of so many people our gift to you is a little of the life of a small child. To be sure, but we hope it pleases you.

Sincerely,
Ralph Selgrove, CKRV-TV.

Ed. Note: This letter speaks for itself but we would like to point out that it had a particular appeal as we read it over. We especially liked the idea of doing something for the needs of the children.

has been pointed out that, as with other legislation on the federal statute books, cognizance should be taken of the fact that developments of the past two decades have made for serious inequities under conditions as they now exist.

In this connection there is unusual significance in the terms of an article prepared for the Canadian Tax Journal, magazine of the Canadian Tax Foundation, and appearing in the current edition of that publication, by Kenneth Eaton, former assistant deputy Finance Minister at Ottawa and now in private business as a tax consultant. The article in question, deals specifically with that clause in the Income Tax Act which provides that capital expenses cannot be deducted in computing the taxable income of a business.

The idea of using profits as a tax base without recognizing capital costs is, this authority says, completely and utterly incongruous. He proposes that the law should be rewritten so as to recognize the general principle—with some exceptions—that all expenditures in business, both current and capital, are incurred for the purpose of generating profits and should be allowed as a deduction in computing profits. —The Financial Times

mobile and casualty insurance companies, makes these recommendations for safety in the home during the Christmas season:

- 1) Choose a small Christmas tree; it will be less hazardous than a larger one.
- 2) Keep the base of the tree in a container of water; the water will be absorbed and keep the tree moist.
- 3) Keep trees away from stoves, heaters and fireplaces.
- 4) Use good quality electric lights on the tree, not candles.
- 5) Check your lights for any defects which might cause short circuits.
- 6) Be sure that Christmas lights do not overload the electrical circuits in your home.
- 7) Keep papers, gifts and other inflammable articles away from the base of the tree until Christmas eve.
- 8) Do not use paper, gauze-like materials or other highly inflammable cloths for children's costumes.
- 9) Check carefully for burning cigarette butts after every party or gathering in your home.
- 10) Always turn out electric tree lights when room is unoccupied.

May the New Year bring you luck, success, and happiness!

Bethany (PNS) — On Sunday Mrs. Mrs. Edward Mitchell, R. R. 2, Bethany, who has lived in this area for 12 years, is a life-long resident in the area.

Until seven years ago, when Mitchell suffered a fractured hip in a fall at home, she had been working on their own farm in the 10th concession of Maynoir township, just east of Highway 35, 12 miles south of Lindsay. When this highway was reconstructed in 1962, the property was built through this property, now owned by Earl Shea. In this locality and two former homes of the couple were within walking distance of their childhood homes and were outside the city limits for a period of nine years when Mr. Mitchell took charge of the local public school. In spite of advanced years, Mrs. Mitchell made a quick and complete recovery from her illness and returned to her hospital. Very reluctantly she agreed to leave her own home and move to the new residence at the home of Mr. Mitchell's boyhood, with their son, Edson and his family.

Mrs. Mitchell was born Edna Emma Wilson, eldest daughter of a family of ten children born to George and Elizabeth (Staples) Wilson in 1887, the year of Confederation. The family was well known and highly respected in the district. She was the youngest daughter of the late William Mitchell and his wife, the former Mrs. Mary Ann Mitchell, a well-known nursing member of their family of seven sons and three daughters. She was born in Cawan township on 20th, 1888, but moved to his present home at the age of five. He attended Fleetwood for his school, Lindsay Model school and Collingwood Collegiate in his later schooling, and graduating from Ottawa Normal school. He taught in his school at Fleetwood for four years, at Lifford for a record-breaking period of twenty-six years, and prior to his retirement, at Newtonville, for nine years. After thirty-nine years spent in the education profession he returned to the farm life, which he never entirely forsaken and busied himself in ranching his horses and other property.

With the exception of one vacation spent in a trip to England and another in a visit to relatives in Manitoba, Mr. Mitchell preferred to spend his school vacations in his own home. He was on an excursion boat that operated on the Kawartha Lakes. He was married to the late Dr. McCamus and was married by a brother, Thomas McCamus.

Liked Circuses
Mr. Mitchell was never attracted to social or fraternal societies and except for a minor interest in baseball and a passionate fondness for the circus, devoted his time and energy to teaching and ranching. He seldom missed a circus and has been attended 83 shows. Now that the age of teaching is over, he brings such programmes regularly, he is able to continue his favorite time at home. In his young days, Mr. Mitchell was interested in the work of St. Mary's Anglican Church at Lifford. Mrs. Mitchell was equally so in her later years and never kept his service as church organist.

Letters of complaint from the Secretary of the Ontario Public School Board, and from the Clerk of the village, received by Mr. Mitchell, advised Lindsay were aired at Wednesday night of the Victoria County High School Area Board.

Both letters stated that several complaints had been received regarding overcrowding on the bus. It was also stated that there had been complaints from parents regarding the time the buses depart from the Collegiate at Lindsay following the afternoon classes.

It was the opinion of many of the members of the board that the children would be later coming to school.

While living at Newtonville they identified themselves with the United Church. Both had been members of the Bible. Among their guests for lunch on Sunday were Rev. J. M. McMillan, minister of St. Mary's Church and Mrs. Meades.

Mrs. Mitchell has seen many changes in the church schools and homes of the district and his exceptional memory for names and events make him outstanding as a source of reference for past events of the district. In his day, he was the average citizen at the local school and few were brought by sleigh or horse and carriage. He walked the distance (as did his wife) all the way long to school. He was in the school many days absent or late. Mr. Mitchell approves the late school morning methods for the school pupils and today, as classes a move to more consolidated schools. He is much less inclined to favor the move towards smoothing the paths of learning within the school and less rigid discipline. Mrs. Mitchell was relentless in the discharge of his duties as a teacher. He was the approved teacher in the district and his school inspector for his successful methods.

Unfortunately, the salary of the public school teacher in the late 80s and first quarter of the century was never very ample, that was the reason for his continued farming activity and it proved successful in the end.

Shared Interests
Mrs. Mitchell has always shared her husband's interests, as a careful, thrifty housewife, keen and happy in her witty talks, even in advanced years. She took pride in producing quality butter, baking bread, feeding a garden and raising well up to standard. Her interests are no longer independent of help for lighter duties of the garden. Her husband's ambition to succeed financially and they have seen their ambition realized.

Mr. Mitchell's main life has been to be temperate in his food and drink. He has had the red rural life. It is his hobby to go very early, keep busy, avoid worry and tension and never keep his service as church organist.

Says Fenelon School addition proceeding on schedule

Building and Property Committee Chairman John Ford, town members of the Victoria County High School Area Board Wednesday, that work on the new addition to the Fenelon Falls High School is proceeding well.

On motion of Mr. C. Benson the matter was referred to the Transport Committee Chairman for his action.

The 45th anniversary of the Kawartha Chapter I.O.O.F. was celebrated at the I.O.O.F. Hall with many of the senior members taking an active part.

The meeting was opened by Miss E. Neelands, a former standard bearer, carrying the original standard of the chapter, and Mrs. N. Bradburn the present standard. Several past lectures were given, with including the grant of \$25.00 to the Santa Claus Committee.

One of the interesting events of the evening was the presentation made to Col. Moore by Mrs. W. G. Dixon of a cheque for \$800.00, the balance of a \$2400.00 purchased by the Luffington of a nursery. Col. Moore expressed his appreciation on behalf of the Board of Governors of the hospital. He said the very fine effort of the chapter.

A former Regent, Mrs. P. S. Vrooman, traced the insignia of the hospital for the women in the early history of Canada to the early part of this century. Mrs. Clarke Murray, chairman of a group of women together to form the Imperial Order Daughters of the Empire.

Both Mr. and Mrs. Mitchell were physicians and their mental health are excellent, retain youthful energy. During the last year, Mrs. Mitchell was in Bethany with his son to do some shopping.

Santa's Reindeer?

This man gets an eye-full every moonlight night

Mount Horeb (PNS) — Christmas is almost here and Santa Claus is making sure his faithful steeds will have the stamina for a very strenuous Christmas Eve.

Yes siree! And a farmer south of Lindsay has first-hand evidence that such is the case. Can he prove it? He sure can and this is how.

Every moonlight night the past couple of weeks the said farmer has stood in his wind-ow and watched four lovely deer enter his apple orchard and gorge themselves on apples that were left on the ground and lower branches of the apple trees.

The farmer lamented the fact that Jack Frost sneaked up during the night freezing part of the apples. Some of the apples could be harvested, but now he claims his nightly vigil with its ultimate price of beauty is well worth the loss of a few apples.

"Christmas in October" Parties Supply Moosehaven and Mooseheart

Because of the "Christmas in October" parties held by the Lindsay Chapter No. 1105 and the hundreds of other parties throughout the United States and Canada, there will be another bountiful Christmas at Mooseheart and Moosehaven.

Members of the Lindsay Chapter at a party held, received gifts under a Christmas tree for the youngsters at Mooseheart, the large institution near Aurora, Ill., and at Moosehaven, the Moose City of Children, founded by the aged at Orillia, Sunderland, Interment was in the Manilla Cemetery.

Mrs. Mildred Irwin, chairman of the "Christmas in October" party for the local chapter, packed the toys, books, clothing and other items for children in a large sack and mailed it to Mooseheart. The clothing, toilet articles, tobacco, etc., for the aged, were packed and sent to Moosehaven.

Assisting Mrs. Irwin were the following members of her committee: Mrs. Mary Craig, Mrs. Jean Griffin, Mrs. Isabel Allen, Mrs. Mari Isaacson, Mrs. Ellen Turnbull, Mrs. Merle Symonds, Mrs. Minnie English and Mrs. Mazie McKenzie.

Thousands of packages are now arriving at the home and school for children of deceased members. The home is owned and operated by the Ladies Order of the Moose. The packages go to the Home Department where they are sorted into four classes—Elementary boys and elementary girls, up to the seventh grade, and junior and senior high boys and junior and senior high girls.

The gifts are then further classified by the degree of the charge of the four groups, assigned to an individual student or residence hall and individually wrapped to await delivery by Santa Claus on Christmas Eve.

As the gaily wrapped packages pile higher toward the ceilings, the offices of the four deans assume the appearance of one of Santa's workshops.

Thanks to the generosity of the members of the Lindsay Chapter and the hundreds of other chapters which held "Christmas in October" parties, each of the homes and children at Mooseheart will receive a number of gifts, according to Supp. Walter H. Ketz, Mooseheart youngsters also will receive Christmas gifts from their sponsoring Ladies and Chapters, relatives, sundries, parents and friends.

Drive through red light, fined Woman lost life in accident

George Wild Jr., 15 Hamilton Street, Lindsay, was convicted of driving through a red light when he appeared in Peterborough Magistrate's Court Thursday. The crown at night did not press a second charge brought against the youth of careless driving.

The charges were laid by Peterborough police following the death of a middle-aged Peterborough woman who was Agnes Kierion.

It was reported at the time of the accident that Mrs. Kierion was crossing the street at the intersection of Charlotte and Reid Sts. when she was struck down.

It was alleged the Wild vehicle, travelling through a red light, came into collision with a vehicle being operated by Mrs. Jos. Rick, Waterloo St., Peterborough. The Rick vehicle was reportedly swung round by the impact and struck the pedestrian.

Wild who pleaded guilty to driving through a red light was fined \$40.

Sergeant B. Howden of the Peterborough City Police was the investigating officer.

Final meeting for veteran board member

Wednesday night's Victoria County High School Area Board meeting was the final one for Mr. Jasper Forman, a member of the board since its inauguration.

Dr. F. M. Graham and Mr. Murray, both members of the board since 1951, paid tribute to the fine work of Mr. Forman.

Mr. Forman said he had enjoyed his association with the board.

Comrade Jack Dames was Thursday elected president of the Sir Sam Hughes Branch, Canadian Legion, for 1960.

Opposing Mr. Dames were Larry Reed and Earl Crimmons.

Three ballots were needed before Jack Martin was elected to the office of first vice-president. Comrade Martin defeated M. MacLellan.

Jack Corley was named second vice-president. The executive elected was W. Hartwick, F. Karyk, J. Dayman, A. Pinney, W. Dornedy, and J. MacLellan.

Tom Purdy was given an acclamation to the office of Sergeant-at-Arms.

There was a light turnout for the annual event, only an estimated ten per cent of the members taking ballots.

ACROSS TREE

A primary line which fell across a tree on Coburne St. Thursday evening, plunged many homes into darkness for almost two hours.

Hydro manager J. Lightbody said homes in the Coburne St. Victoria Avenue area were affected by the breakdown.

Further resolutions from the association.

Col. Moore also moved that the board recommend the suspension of the doctor in question to take effect January 1, if the still has any outstanding case histories.

Dr. Gorman said an instance had been brought to light at the recent sittings of the Supreme Court when medical records were not complete.

Three-way system to blanket province

The Board of Management Committee of the County Home for the Aged, decided at a meeting held Thursday to hire a consultant to make a preliminary survey of the area at the foot of Adelaide Street, where a plugged sewer, the cause of much controversy, is located.

The committee agreed to the hiring of the consultant in order that an approximate idea of the cost of installing a new sewer could be ascertained.

Mr. James McQuarrie, chairman of the Board of Works told members of the committee, the local Board of Health had continued to press that action regarding the sewer be taken. The Councilor said some remedial action had been taken by the town in order to get the plugged sewer working again. Mr. McQuarrie told the committee the water was draining away at the present time, he did not think the sewer would carry the additional load in the present time.

"We want to eliminate this problem so that no sewage will be entering the river in the spring," said Mr. McQuarrie.

Town Engineer J. N. Timberlake revealed that the bulk of the water draining off the fields was entering the sanitary sewer. Mr. Timberlake said this was throwing a heavy load on the town's sewage plant.

The engineer in answer to a question suggested that a new line be constructed from the home.

Mr. Timberlake in his opening remarks said he did not feel that the press should publish a report before the matter had been discussed by Council. The Town Engineer said it was his opinion that Council members should not have to obtain their information from the press.

"In my opinion the line at Adelaide Street is still blocked, it is not flowing freely," said the engineer. Mr. Timber-

lake said he doubted very much if the line could be opened sufficiently to prevent the same trouble next year. "There is an enormous amount of rain water being handled at the sewer plant together with sanitary sewage" said the speaker.

Expressing the opinion that the county should give consideration to the eventual growth of the town, Mr. Timberlake said he felt a consultant should be hired so that an overall picture of the problem could be obtained.

It was the opinion of several members that the cutting down of the trees had not alleviated the problem. Mr. Timberlake revealed the roads were still a source of concern. The Town Engineer suggested to the committee that the county give consideration to installing a sewer which could link up with the present Mary Street line.

County Clerk F. Weldon pointed out that the county would receive a 70 per cent subsidy from the province in connection with a sewer plant. It was suggested by Coun. McQuarrie the remainder of the cost could be a joint proposition between the town and the county.

It was the opinion of Mr. Harry Deyell the county should not worry about the future development of the area. The reeve of Omenes, suggested the county look after its own responsibility first.

Mr. McQuarrie said he felt the town would go along with paying a share towards the cost of hiring a consultant. On motion of Reeve Herman Buckley, it was agreed that the consultant's report should be obtained. It is understood the preliminary one covering estimates, cost and future development of the area in question.

In connection with the second charge, a Mr. P. Preston, 273 Kent St. W., testified that on Saturday evening, Dec. 12 at approximately 11:15 pm he became aware that some-

one was prowling around in the hall. Mr. Preston said he saw Carpenter, whom he identified in court, coming down the stairs from an upstairs apartment. "The accused told me he was looking for work now the court," the witness told.

The witness said next day his wife discovered the loss of her rubber overboots. Magistrate Moore said he understood several pairs of overboots had been stolen in this area recently. Carpenter denied any knowledge of the theft of the overboots.

Crown attorney I. W. Jordan asked the court if the accused could be banished from town. "Carpenter appeared in this court on a similar charge a short time ago," said Mr. Jordan.

The magistrate dismissed both charges against the accused. Carpenter had entered a "not guilty" plea to both charges.

A Lindsay boy — Dr. N. McPhail, a third year medical student at Toronto University, applied for summer internships at the RMH for four months next year.

Dr. Gordon said an intern was a valuable asset to an hospital. The board moved that a sum of \$200 be paid in intern with money for his board.

Montreal — In line with Zeller's — sharing policy, adopted in 1940 the company's administrative offices in this city mailed profit-sharing checks several days ago to its Associates in Zeller's stores across Canada. At the same time, similar bonus cheques were given out to the staff in the home office and in the company's distribution centre, in Montreal.

In these executive and managerial positions do not participate in this bonus, but in stead share in the final profits of the company when they are known at the close of the fiscal year.

Cheques As High As \$482.50
Based on profits for the period from November 1, 1958, through October 31st, 1959, cheques ranging from \$40 to \$482.50 are for 354 people who have been in the employ of the company three or more years, and are not administrative personnel.

The total amount of profit-sharing to these Associates is \$227,000, which is an increase over the amount distributed in this category in the previous year.

This is a magical time of the year and last night was an especially magical one for the guests of the Rotary Club at a buffet-style supper in Cambridge Street United Church Hall. Guests of the club on this occasion were the towns crippled children, wives and children of club members.

There were three kinds of magic at this affair. There was the magical effect of good food and lots of it on the guests, the magic with which the tables were cleared after supper, and the mystifying magic of Ted and Mary Bradshaw, Colburn magician and his wife, who delighted everyone with their feats.

Come to think of it, there were five kinds of magic in included. The other two involved the magical way in which Rotarian M. J. Cunningham had performed as song leader for the singing of "Jingle Bells" which heralded the arrival of Santa (Santa) Claus, and the marvelous way that dear old boy held things together while he discussed gifts to all the youngsters.

You know, he was just bustling out all over. The display of magic may have some lasting effects on Rev. Robt. McLean ... Every where he goes from now on he is likely going to be asked to do the milk trick. Keep that in mind and when he calls on you, get him to show you now it's done ... It would be a shame to spoil the fun by explaining the trick at this time.

Those who like mooncane dances had better start getting ready for one after the New Year. Lloyd Graham of Oakwood says he read in "The Post" that someone wanted to take a mooncane dance to the east and he's anxious to let everyone with a similar desire to get their mooncane ready for the summer. In January the Oakwood Skating rink is having a giant winter carnival. A mooncane dance will be one of its features. But that's not all, there'll be special figure skaters on hand for the event and there'll be skating for the family. Lloyd says he has heard that a former resident of the village is still cutting quite a figure (not always on ice) may get to hand and enter the figure class in the carnival. He had decided to name the character "Mooncane" if he had gone through with it, his performance will be worth the price of admission alone.

Mr. Percy Hill of Hill's Academy says that after all the publicity given the flower "pansies", he's surprised some people haven't learned how to spell the word. He placed an ad in Front Page Classified's other day it's right out loud. Before a class tied will even start to work on producing a polka dot rabbit out of a box, all who desire to see it must be willing to see a rabbit's tail. Three times they must repeat after him: "I wish to see a rabbit's tail." The wish depends on whether or not the wish is strong and loud enough if he wants to perform the magic feat. Well, the wish was mighty powerful. Last night the kids got their wish. A rabbit's tail (not a polka dot rabbit (black dots) is lifted from a box which was obviously right out loud. Before Ted went to work.

There is also something magical about the way men like Jack Lightbody, Syd Maney, Dan McQuarrie, W. J. B. Scho, Dr. D. S. Wood, Dr. C. W. Service, Alex McKaske, Herb Watson, H. H. Brown, Joe Tangier, Dr. R. M. Parker, T. H. Eberle, Jim Claydon, Wm. Schwartz, and a score of other swell fellows step out of their ordinary roles and get behind things like that.

"THE POST" REFUTES ALLEGATIONS MADE BY RADIO STATION CKLY

"Not Guilty" record shows

Radio Station CKLY Lindsay is reported to be attempting to discredit reports in the local press relative to a proposed shopping mall for Lindsay.

According to the report, it is alleged that the press here conveyed the wrong impression regarding the findings of a special committee named to look into the idea.

Radio Station CKLY is reliably reported to have alleged that the local press conveyed the impression that the idea had been abandoned for all time.

"The Post" in its report of the committee's findings is not guilty of any such offense. It's report stated, quote: "Lindsay merchants are not in favor of holding a shopping mall similar to the one held recently in Peterborough at this time of year."

There is nothing in the afore going or in the complete report to suggest the idea had been entirely abandoned. Those are the facts.

Wedding

Balfour - Mowbray

Candlelight was the setting for the wedding of Donna Jean Mowbray, daughter of Mr. and Mrs. Ross Mowbray, and Philip Lloyd Balfour, son of Mr. Edgar Balfour and the late Mrs. Balfour in St. Andrew's Presbyterian church, Lindsay.

Given in marriage by her father, the bride wore a gown of silk tulle with a scalloped neckline embroidered with pearls. Her shoulder-length veil was held by a crown of pearls and she carried a resplendent bouquet of yuletide roses.

Marilyn Mowbray, sister of the bride, was the maid of honour and Patricia Redford, cousin of the bride, was the bridesmaid. Miss Mowbray wore a gown of peach pink de sole and Miss Redford's gown was peacock blue peau de soie. Their hairdresses were matching large flat bows, and they each carried a crescent bouquet of roses and chrysanthemums.

Best man was John Walmsley and the ushers were Keith Sweetman and Bob Redford, cousins of the bride.

At the reception the bride's mother received in a sheath gown of sapphire blue satin with a blue rose French feathered hat and accessories. Her corsage was of pink and white roses. Assisting her was the groom's sister wearing a gown of brown and yellow silk print gown with beige accessories and a corsage of yellow roses and brown chrysanthemums.

For travelling the bride chose a royal blue dress with a white feather hat and a charcoal grey fur jacket. She wore a corsage of pink and white roses.

The happy couple left for a honeymoon in Eastern Canada and upon their return will make up residence in Port Perry.

Never had it so good, Pepper says

of defunct Night Raiders deal

The management of the Night Raiders (they knew the name) had such a good time with the history they created this year, Dr. Gordon Pepper, chairman of the committee at a special meeting Monday evening.

Mr. Pepper was speaking during the course of a meeting called to discuss arrangements for the time etc. with the Lindsey Jansons, who have taken over the scheduled games of the defunct Night Raiders squad.

It was suggested by Coun. MacQuarrie that the \$600 split given the club by the committee had been against the better judgment of the committee. We only did it to get going," said the speaker.

Chairman Pepper said that Mrs. Lawson and Cunningham had never had such a good time with the Recreation Committee. The deal had been made public, declared the chairman.

Dr. Harrison Johnson, the newly-appointed arena manager, revealed that with the \$600 Lindsey Jansons had received, the Lindsey Jansons so far the arena had received as its share \$28.87. Mr. Johnson said that the expenses are off the top before the split is made.

Mr. Duncan Sinclair who attended the meeting told the news that such a good time with the history the club is excellent. Mr. Sinclair said he had been amazed to hear the committee say they would be helpful in the case of accident or injury to the players. This committee has no legal responsibility to this team whatever declared the speaker.

Mr. Sinclair said the insurance policy covering the Night Raiders team had been turned over to the new club and was in operation.

A representative for the Insurance Company disclosed that the policy covers all while travelling and from games. It also covers all drivers under the age of 21 years of age, it was disclosed.

It was the opinion of Mr. Sinclair that the committee wanted these boys to go on to matches under supervision. There was not a question present about the deal. It had to be held to turn out the remaining questions existing between the chairman.

The state of officers elected by the club is as follows: President—K. Anderson; Secretary—P. Presley; Treasurer—D. J. Jacklet; Directors—R. Lawson, Mr. P. Presley, Mr. P. Presley, Mr. P. McCrimmon, D. Wainman, A. Pearson and M. Reels.

THAT

A former Okawake Two and veteran of World War Two is currently going through a trying ordeal in Sunnybrook Hospital, Toronto. Mr. Jarvis, who was injured in the war as a result of a knee injury, has been forced to undergo special treatment and the hope of saving the injured leg which started giving him additional trouble several days ago. Jarvis is the son of the late Mr. and Mrs. Marshall Lake, now married, and an all-round good fellow.

When Jarvis was a boy, one of the favorite pastimes of the day was playing Indian. He probably recalls very well the time he was asked to lead a team of another tribesman and touched off one of the greatest cross-country chases. Marjorie Township has ever witnessed in those days deer hides were rather scarce so the wigwag was made of advance notes. They piggy piggy together with spruce bows to keep out the elements. It was naturally very exciting to a brother Indian to have someone upset his lean-to while he was away gathering cedar bark for a smoke. It was a pleasant surprise that the incident such as this which touched off the tomahawk war was the cause of the war on Dawson's woods (just north of Okawake) to St. Paul's farm house the best part of a century ago. The war was fought in the woods. Fortunately for the pursued and the pursuer, they served their purpose. The war ended by their approach and St. Paul's rounded up several deputies in the woods for trouble. To the Editor,
"The People Writer"

Dear Sir:

I was amazed to learn in the Recreation Committee meeting that we have no agreement with Night Raiders "BECAUSE THEY ARE COMING back this year."

How would we approach the Recreation Committee we were told they were organized in 1921, adult sports.

The question now is, "What is the Recreation Committee function?" It could be they are making time, pending the answer to the question.

Commission, which is due to function approximately January 1st, 1990.

Sincerely yours,
Reginald A. Cox

H. E. McCarty

Mr. H. E. McCarty passed away at the Waterman Private Hospital after a long illness on December 11, 1989. He was in his 84th year.

Daughter of the late Henry and Elizabeth Joffile she was born in England and received her education there. She had resided in Lindsay for over 50 years and was a member of the Cambridge St. Methodist Church.

She was survived by her son, Dr. W. Ross McCarty, New York.

The funeral took place on December 14, 1989 with the Rev. Robert M. Laidlaw officiating.

The pallbearers were Louis Gordon, Leroy Mann, James Mark, Gordon Mann, Don Ferguson and Alex Kingsborough.

Interment was in Riverside Cemetery.

will be held in the school auditorium, and touched off one of the greatest cross-country chases. Marjorie Township has ever witnessed in those days deer hides were rather scarce so the wigwag was made of advance notes. They piggy piggy together with spruce bows to keep out the elements. It was naturally very exciting to a brother Indian to have someone upset his lean-to while he was away gathering cedar bark for a smoke. It was a pleasant surprise that the incident such as this which touched off the tomahawk war was the cause of the war on Dawson's woods (just north of Okawake) to St. Paul's farm house the best part of a century ago. The war was fought in the woods. Fortunately for the pursued and the pursuer, they served their purpose. The war ended by their approach and St. Paul's rounded up several deputies in the woods for trouble. Mistletoe imbued with magic quality

By Dorothy Falls

Apart from its romantic potential, mistletoe is almost universally granted other valuable qualities.

Known as the Golden Throat, it was sacred to the Druids, particularly when growing on an oak tree.

It was always cut with a golden knife by a priest clad in white, and dropped into a white cloth so that it was not contaminated by touching the earth.

Not only throughout Europe, but in Japan and Africa mystic qualities are attributed to mistletoe, although opinions vary whether the tough is more potent in midsummer or when it is in Sagittarius as it is in December.

For centuries after the Christian era, mistletoe was used in the school auditorium, and touched off one of the greatest cross-country chases. Marjorie Township has ever witnessed in those days deer hides were rather scarce so the wigwag was made of advance notes. They piggy piggy together with spruce bows to keep out the elements. Children who have to walk on the pavement after dark are in much more danger if they do not wear, or carry, something light that will show up easily in headlight beams.

One nice thing about a Christmas past is that there then seems to be time to look over all the beautiful cards received before Christmas.

Every Christmas seems to be drawn to me more attractive cards than those of the year before which, at that time, seemed much more appealing than those of the year before.

Some cards have a certain special something about them which command close examination than do others. We are drawn to them for reasons which often we could hardly explain if someone were to ask us on the spur of the moment.

When this happens around a newspaper office it is hardly satisfying to any newsmen worthy of the name to simply dismiss the matter with a shrug of the shoulders. — Oh, no. "Why?" is too important a question in that business.

Well, included in the batch of eye-catching cards received last Christmas (it is last Christmas now), was one from the Director of Pilgrimages of the Roman Catholic Church in Canada. It was not a pretentious card from the standpoint of size but the colour photograph on its cover caught my eye immediately. It showed a priest kneeling in prayer before an altar. The photograph had a richness of colour which immediately prompted the recipient to open up the card and see what type of message it contained. This in part is how it read:

My Christmas Wish to You
"I wish you a Happy Christmas. I wish you laughter and pure joy, a merry heart and a clear conscience, and Love which thinks no evil."

I wish that the Spirit of Christmas may give you into companionship with Him Who gives all."

"That is 'Why'" this card commanded special attention. It had an appealing cover. And the wish leaves little to be desired.

There was another couple of cards in the lot which had what it takes to arouse one's interest. One of these was from Canada Printing Inc. Limited and it contained a bit of verse which is not only a

Two weeks late, report claims

The delay in delivery of the new King Seagrave aerial ladder pump to Lindsay has resulted in a special meeting of Town Council being called for tonight.

"The Post" learns that the combined pump-aerial ladder should have been delivered to Lindsay some two weeks ago. It is reported that some discussion on the part of the company and the department has arisen over the equipment. It is reported that discussion has also taken place recently between the town and representatives of the King-Seagrave Company on the type of ladder the town is purchasing.

Deputy Mayor Harry Pearce is expected to outline members of Council the up-to-date situation on the matter at tonight's meeting.

U.S.S.R.'S PREMIER ACCEPTS INVITATION
Moscow, Dec. 30.—(UPI)—Russian Premier Khrushchev has accepted the western invitation for a summit conference. The place is Paris on January 15, 1960.

Reaction from the public has been one of surprise. One Lindsay citizen said he had been accustomed to read that the hospital had been taking the risk of carrying on without any auxiliary power.

Another resident termed the situation "extremely dangerous." "The Post" learns that while the power was off for several hours during Sunday night's severe storm two babies were

The joviality of the Eighth Street resident was referred to in a case heard in Lindsay Magistrate's Court this morning when Tompkins pleaded not guilty to a charge of drunk driving.

Police Constable William Bowes testified that while on patrol on Kent Street near the police office, his attention was drawn to the excessive noise being made by a vehicle. The officer said the motor roared several times, jumped forward and then stalled.

The officer told the court that the vehicle was in a state of emergency and he did not think the accused realized the seriousness of the situation. After Constable Ross Bailey had testified as to the driver's condition when brought to the police office, the magistrate said he would reduce the charge to one of impaired driving. A fine and costs amounting to \$99.50 with the alternative of 21 days in default was imposed by the court. The magistrate Moore ordered that the convicted man's driving permit be suspended for six months.

Police Constable William Bowes testified that while on patrol on Kent Street near the police office, his attention was drawn to the excessive noise being made by a vehicle. The officer said the motor roared several times, jumped forward and then stalled.

The officer told the court that the vehicle was in a state of emergency and he did not think the accused realized the seriousness of the situation. After Constable Ross Bailey had testified as to the driver's condition when brought to the police office, the magistrate said he would reduce the charge to one of impaired driving. A fine and costs amounting to \$99.50 with the alternative of 21 days in default was imposed by the court. The magistrate Moore ordered that the convicted man's driving permit be suspended for six months.

Soup's On!
Soup falls into two categories, the clear and thicker cream soups. When soup is served as part of the family meal, it's important to know how much you are paying for flavor and calories. These soups are little else.

Clear soups actually have little nourishment in them except calories. This means that they take up a lot of room in the stomach but provide little worthwhile nourishment. Those

who are trying to bring down their weight will find clear soups helpful in filling up so they won't want so much high calorie food. On the other hand, this watery soup provides none of the nourishment growing children require.

So serve soups that are milk and remember that the addition of dried, skimmed powder brings the nutritive value up and keeps the cost down, at the same time. The water in which vegetables have been cooked should be saved and used in soups for gravy because it contains valuable minerals and vitamins.

Christmas Adds Splendour To Late Afternoon Wedding

Brown-Harris

The Church of St. Thomas the Apostle, Alta Vista Drive, Ottawa, was the setting for the lovely late afternoon wedding of Lorna Mary Harris, Ottawa, daughter of Mr. and Mrs. A. Norman Harris, to Michael John Brown, Peterborough, son of Mr. and Mrs. Bertram C. Brown, Lindsay. Rev. Wm. R. Wright officiated.

The bride was given in marriage by her father. She wore a dress of white beaded satin fashioned on the princess line with hack interest, and her headpiece was of brocade and white tulle veil. She was wearing a string of cultured pearls given to her by the groom and carried a bouquet of carnations and hyacinth bells.

The bride was attended by her two cousins, Miss Diane Creble of Port Credit and Miss Elaine Armstrong of Ottawa.

First Candlelight Service Held by Manilla YPU

and "While Shepherds Watched" were sung by all. The theme address, "The Story of Silent Night," delivered by Sharyn Wylie was very inspiring and thought-provoking.

After singing the Carol "Silent Night," Sharyn and Betty Wylie sang "Be Peace On Earth."

Prayer was then offered by Rev. Reed and the offering was received and dedicated. Kenneth Lawton read the second scripture, followed by a Carol "Hark The Herald Angels Sing."

The Young People from the five unions then formed a circle around the church, lighting their candles one from another, as Rev. Reed read the "Hecceusial by Candlelight."

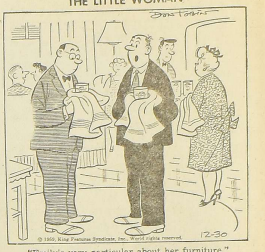

When all the candles were lit, the Young People left the church singing "Joy To The World."

This service was to all eyes, something which no one will forget. Like the shepherds they returned to their humble tasks feeling that heaven is not so far away, and praying that He is to be found not only in temples but also among the common things of life.

BACKACHE May Be Warning

Backache is often caused by poor kidney action. When kidneys get out of order, acids build up and waste remains in the system. proporite for Christmas but is paid. "Some day, when time for us is past. And when our course on Earth is run. We'll look back the other shore."

And see good the might have done.

How easy now to live for self. For food to eat and clothes to wear.

And never listen to the moan Of fellow humans in despair.

How thoughtlessly we pass along. Unmindful of a brother's need. Who might bring help and blessing.

By doing some small, kindly deed.

An interest in another's woe. A word of cheer, a friendly smile.

Will brighten someone's lonely hours And also make our lives worth while.

White sails to seek to serve and give. To help lighten our own earthly yoke.

Let us look back with vain regret. Upon the good we might have done." — Albert Magnum

BODIES DISINTERRED
Varsity, Dec. 30.—(UPI)—The bodies of 143 Polish and Hungarian women shot by the Nazis during World War II have been disinterred from a mass grave in a forest near Warsaw and reburied in Rybnik Cemetery.

The women were believed to have been prisoners from Stutthof concentration camp, brought to the forest to be executed by the Nazis in the winter of 1944-45.

WORLD IS RUNNING BEHIND TIME
Moscow, Dec. 30.—(UPI)—The world is 31 seconds behind time, a Soviet astronomer reported today.

Katmonia, Nepal, Dec. 30.—(UPI)—Senior Time Service at Leningrad's Pulkovo Observatory, said the time loss has accumulated since the first decade of this century.

He told the Soviet news agency Tass that the inaccuracy resulted from unevenness in the rotation of the earth on its axis.

SEARCHING FOR "YETI," KILLED
Katmonia, Nepal, Dec. 30.—(UPI)—One member of a four-man Soviet expedition searching for an "Abominable Snowman," or "Yeti," was killed last spring, apparently in an avalanche.

"DECAPITATION MURDERER"
Birmingham, England, Dec. 30.—(UPI)—Tension mounted in Birmingham, England today as a "decapitation murderer" apparently continued to elude an immense police hunt.

Six men were rounded up for questioning during the night in various places throughout the English Midlands, but only one still remained in custody this morning. There were no indications he was directly linked with the case.

There was no indication, in the seventh day of the killer search, that police had any definite clue to the identity of the man who, last Wednesday night, beheaded 28-year old Sydney Stephens in her New York City hotel room, cutting off her head with a common table knife. Adding to the horror of the crime was the fact the killer, described as young, stockily built and with long, curly hair, boarded a bus a few moments later, his hands slicked over with blood.

ANNOUNCES HE'S IN RUNNING
Washington, Dec. 30.—(UPI)—Senator Hubert Humphrey has formally announced that he is running for the Democratic presidential nomination in the United States.

The Democratic lawmaker's long-expected decision came at a news conference in Washington today. Humphrey said he would enter primary contests in Wisconsin, Oregon, South Dakota and the District of Columbia. He said he would "like to enter other primaries" but has limited finances.

DISGUISED AS EARTHQUAKES
American scientists report a possible method of disguising underground nuclear blasts to make them look like earthquakes. Scientists in Pasadena say nuclear blasts can be disguised in underground cavities. They say that blasts then appear as earthquakes on seismographs.

CHARGES U.S. BROKE TEST BAN
Russia has charged the U.S. recently broke its self-imposed nuclear test ban due to end tomorrow. The official Communist newspaper says America tested underground nuclear bombs in violation of the voluntary 14-month test halt. Pravda attacked the decision to end U.S. nuclear ban as a move opposed to peace.

MAINE'S GOVERNOR DIES
Maine's Governor Clinton Clauson died today — presumably from a heart attack or cerebral hemorrhage. The 64-year old Democrat had attended a dinner last night at Lewiston, Maine, and the governor's news secretary said he appeared in good health. Clauson was elected to a four-year term in 1958.

BOSTON TAKES OVER FOURTH NHL SPOT

Three games are on tap in hockey tonight. League-leading Montreal is at Toronto in the lone National Hockey League (NHL) fixture. The Boston Bruins edged New York 4 to 3 to take sole possession of fourth place. American Hockey union action tonight finds Rochester at Cleveland and Quebec at Hershey. The AHL was idle last night.

EASTERN HOCKEY LEAGUE

Two games are scheduled for the Eastern Professional Hockey League today. Three Rivers is at Sudbury, and Hull-Ottawa meets Kingston in Kingston, yesterday. Three Rivers moved sixth last night. Six to 2.

HOCKEY

Billy Hicke, rookie right winger of the Montreal Canadiens Hockey club, will miss tonight's game against the Maple Leafs at Toronto because of an ailing leg. Hicke has been hospitalized with a boil on his leg and will not be released until He is expected to be ready in time to rejoin the club for Saturday's game against the Boston Bruins.

NEW YORK SHOWS INTEREST IN GOALIE

The Winnipeg Warriors' goal tender, Al Rollins, said he did not know the New York Rangers were interested in him. Rollins was caught by surprise in connection with reports that the National Hockey League Rangers were considering approaching the Western Hockey League club for his services.

NOMINATIONS FOR 1962 FUTURITY

Nominations for the 1962 running of the Winnipeg Futurity will close Jan. 2nd. The race—Western Canada's richest two year old classic—will be run at Assiniboia Downs in Winnipeg. It is open to Canadian-bred 1960.

TOMMY LEE MAKES SUCCESSFUL COMEBACK

The 1959 Kentucky Derby winner—Tommy Lee—made a successful comeback yesterday with a victory in the feature at Santa Anita in California. Tommy Lee was a 3½ length winner of the Alhambra Purse. It was Tommy Lee's first since last June and a prep for next Saturday's Malibu Stakes.

TENTATIVE DATE FOR CONTRACT SIGNING

The promoting group headed by attorney Roy Cohn plans to apply for a New York State promoter's license today. Cohn met with heavyweight champion Ingemar Johansson in Sweden yesterday and tentatively set Jan. 10 to sign the contract for a return title bout with Floyd Patterson. The fight is expected to be held at the Polo Grounds in New York City.

HARD PUNCHING MIDDLEWEIGHTS IN ACTION TONIGHT

A couple of hard punching middleweights square off at the Meadowlands at the Meadowlands tonight. Nigerian Tiger Hick, with 19 victories and two draws in 30 pro fights, is a slight favorite to beat Holly Mills (19-10-1) in a 10-round bout. Mills has a record.

LANE WINS BY KNOCKOUT

Southpaw welterweight Kenny Lane of Muskegon, Michigan, knocked out Ray Lancaster of New York City in the third round at Minneapolis last night. Lancaster caught a hard right and was counted out at 2:20 of the round.

JOHANSSON VOTED "BOXER OF THE YEAR"

World heavyweight champion Ingemar Johansson has been voted "Boxer of the year" by the National Boxing Association's rating committee.

Argentine welterweight Federico Thompson was named "Boxer of the month" by the NBA's rating committee.

The fighters in all classes and moved Thompson into third spot in the 147-pound division after his upset knock-out of champion Don Jordan.

Johansson won the boxer of the year title over featherweight champion Davey Moore, lightweight champ Joe Brown, and middleweight titleholder Gene Fullmer.

SEARCHING FOR NEW COACH

The U.S. Olympic Committee, Canada's Olympic hockey team, are looking for a new coach today and at least four men have been named.

They are: Warren Blatt, manager of the Whittby Dunlops; Joe Primeau who coached the Toronto Maple Leafs; Grant Warwick who led the Penitents 'V's to world hockey victory several years ago and Hay Day, who also coached the Toronto Maple Leafs.

The Dutchman coach Bill Duran resigned yesterday.

FULLMER NAMED OUTSTANDING FIGHTER

Ring Magazine has named Gene Fullmer as the "outstanding" fighter in the middleweight ranks, but it still recognizes Sugar Ray Robinson as champion.

Robinson was dropped to third in the ratings behind Fullmer, the National Boxing Association champion, and Spider Webb. Former champion Carmen Basilio is rated fourth.

Heavyweight champion Ingemar Johansson was named "Fighter of the year." Behind the champion in the rankings are Floyd Patterson, Zora Polley, Sonny Liston, and Eddie Macho.

Raf also noted that attendance was down in good boxing states like New York, Illinois, Pennsylvania, Massachusetts and Michigan.

Bruins Take Over Fourth Spot In NHL With 4-3 Victory

(United Press International)

Goalie Harry Lumley was the game but lost money doing it. Lumley's combination good fortune and misfortune came about in a 4-3 victory over the New York Rangers last night that gave the Bruins sole possession of fourth place in the National Hockey League.

Lumley, who was filling in for sidelined Don Simmons in the nets, drew a ten-min. misconduct penalty just as the game ended for arguing too vehemently over "all things" — the fouling of a referee's call for an automatic fine.

Earlier during the final period, the Bruins pulled a "rock" that almost cost them their victory.

Curling Club Executive Warns of "Dirty Ice"

(United Press International)

An appeal has been issued by the executive of the Lindsay Curling Club to "keep the ice clean."

The appeal was issued in the light of remarks made by a Toronto visitor to the Peel and Mrs. Percy Skitch of Lindsay, who will spend the winter months in Florida. Enroute they visited with Mrs. Skitch's parents, Mr. and Mrs. W. Smith of Pittsburg, Penn.

In the club's monthly bulletin, Mr. Al Simpson writes: "Keep our ice clean! I a few days ago a Toronto visitor to our Club made a remark to the effect that he thought the ice at Lindsay was 'the dirtiest ice he could remember playing on in a long time.'"

What makes a statement like this all the more harmful is the fact that when we take the trouble to really inspect our ice, we find the "dirty" is certainly not far fetched, and it is the Executive's desire to see this condition righted. All the trouble comes from two causes, namely: (1) not making certain that rubbers are perfectly clean before going out on the ice, and (2) the dropping of cigar and cigarette butts on the ice, tapping cigarette ash on the ice, even knocking out pipe dottle. When we stop to consider this, we find the problem quite simple. If you wear your curling rubbers out in the street, please make sure they are perfectly clean before going on the ice. This is the greatest single factor in keeping the ice clean. Notices are displayed on the rink doors, and mats provided for this purpose. Also please drop cigar and cigarette butts in the receptacles provided for them. Most other Clubs of repute are very strict regarding the keeping of their ice perfectly clean, and a sign of anything which could mar its cleanliness is immediately pointed out and the offending article told of it. Though this may seem arbitrary, it has the effect, however, of achieving the desired end. So fellows, please go along with the Executive in this matter, and keep our ice CLEAN. It doesn't need any more than reasonable care.

Revises Schedules

It has been found necessary to revise some schedule dates in the second half of the season, owing to circumstances outside the Club's control, and these revisions will be posted on the Bulletin Board in the Club Rooms.

Winter can be beautiful too

Besides giving people a pretty rough time, winter has its more pleasant side as witness the scenic view of the Scugog River, shown above as it is embraced by winter's first serious snow. Taken just south of the white bridge on Lindsay Street south on Christmas Day, there was still plenty of open water and the trees cast interesting shadows which were reflected on the water in the late afternoon sunshine.

News for week ending Dec. 19

Mr. and Mrs. Donald Grizzle and family spent the weekend in Toronto with Mr. and Mrs. Harold Butler and Marilyn and also visited Mr. and Mrs. Arnold Butler and family in Toronto and visited Mr. Walter Olsen who is in Sunnybrook Hospital.

Mr. and Mrs. Fred Solomon of Lindsay and Mrs. Walter Olsen, Jr. visited Mr. Olsen who is recovering nicely after his operation in Sunnybrook Hospital and from there, went on to spend the weekend with her brother and his family, Mr. and Mrs. J. Black in Paris.

Mrs. A. Lake spent several days visiting Mr. and Mrs. Donald Lake and family at Stratford last week.

Friends of Mrs. Ellen Woodlock are sorry to learn she was taken to Rose Memorial Hospital last week. Also recovering in Rose Memorial Hospital following operations recently are Dick Pearce (Sr.) and Mrs. A. M. Reid.

A speedy recovery for all in the family of their many friends. In the L.O.B.A. draw the winners were—Geo. Bryant of church and the Apostolic Norland, wool blanket, Mr. Herb Wendt, Norland, pillowcases, and Mr. Morley McKague, Cobocook, wool blanket.

It was with sad hearts that the community learned of the tragic accident that claimed the life of Bill Berrie. It was a sad loss to his two daughters, Sheila (Mrs. Lapierre) of Beachville and Rosie (Mrs. Hacock) of Bright.

Almost each evening now there are fine Christmas programmes in the churches and schools. The United church (feraw) and in their company visited Mr. and Mrs. J. J. Thurston—the former under the doctors care for several weeks.

Earnest Savings

Your New Year's resolution list begins with a promise to save for next Christmas... perhaps a golden coin bank will... perhaps with oversized coins and features a padding and key to insure earnest saving.

Warning issued by C of C strengthened by BBB caution

A warning issued to Lindsay residents a few days ago received added strength from the president of Toronto's Better Business Bureau over the weekend.

Last week the Lindsay Chamber of Commerce reported it had been contacted by various residents of Lindsay enquiring about some door-to-door salesmen promoting a water softening installation for the home. Apparently the people reported the salesmen are offering to install an automatic water softening unit in the home, free of charge, in return for the names of several prospects. The second contact is offered a cash bonus for supplying further names.

Following investigation, the Chamber of Commerce said it was not certain when the salesmen do not represent the Chamber.

They held their Christmas program last Wednesday evening, and Friday evening the Anglican church and the Apostolic church had their Christmas programmes. Monday night, perhaps the biggest party, was the annual public school concert is held in the Masonic Hall.

Two Danish boys who work in the vincer plant last summer Ynez Sanderskov and Jack Christensen flew home to Copenhagen on the weekend for a visit with their relatives there.

Miss Bunny Bradmore, Mrs. Anne Bunnies, Miss Yvonne Faulkner and Mr. F. Freckell of Toronto, spent the weekend at their respective homes.

Mr. and Mrs. Harry Bantam of Oshawa, Miss Joybelle Brand of Oshawa all were weekend visitors to their homes. Mr. and Mrs. Denna Marley of Peterborough and Miss Lay Bunnies of Toronto also were recent visitors to their homes.

Mr. and Mrs. Carmen Canach and daughter of Toronto, Kague has been quite ill at home. One of the elder citizens, Mr. Ike Bowles is also ill.

No auxiliary unit set up, report states

The fact that there is no form of auxiliary power whatsoever at the Ross Memorial Hospital is reported to be causing concern in many circles. It is reported that during the severe storm which hit this district Sunday evening causing power disruptions over a wide area, the hospital was without power from 11:30 p.m. to 5 a.m. the following morning.

Mr. Post* learns that there is no auxiliary diesel-powered generator at the hospital which can be brought into use if the need arises. It is learned that candles and flashlights had to be brought into play on the maternity ward when the power failure occurred to assist nurses in their routine tasks.

Mr. Halaby told "The Post" the pen pal friendship started some 17 years ago when he was living in Haifa, Israel formerly Palestine. Mr. Halaby was Bureau Chief of the UPI office in Jordan for five years before moving to Chicago.

Mrs. Campeau told "The Post" she was very enthused over the visit of her pen pal, Mr. Halaby has been spending the holiday with the Campeaus in Jordan for five years.

The UPI writer said he hoped to be transferred shortly to the Washington office of the news agency.

He said he had enjoyed his visit to Lindsay immensely.

Noticed along the way

There is a Japanese proverb which says: "One cannot wear two pairs of raw sandals at the same time." This parallels very closely an observation made some weeks ago by Mr. Leslie M. Frost when he said: "One can only wear one suit of clothes at a time."

Employees of the Toronto-Dominion Bank are reported by Chamber manager J. Giblinson, Messrs. H. Houzer, D. Scott and the Mayor.

Mr. Gibson could give no details of how many tickets had been sold on the bank asked by a "Post" reporter. The system in the building when the Ross Newton Ltd. vacated it with the result that it went on the fire.

Justice slow but sure

Justice is slow but sure in Mito, Japan. In 1947, 19-year-old Shozo was returned to Japan before a summary court on suspicion of theft He was allowed to return home.

In 1949 Shozo was again called to the court to be fingerprinted. Again, he was allowed to return home.

In 1954, he made another appearance before the court on the theft charge... and, and the prosecutor decided that Uno... now 31-years-old—was innocent. (UPI)

Mrs. Campeau told "The Post" she was very enthused over the visit of her pen pal, Mr. Halaby has been spending the holiday with the Campeaus in Jordan for five years.

The UPI writer said he hoped to be transferred shortly to the Washington office of the news agency.

He said he had enjoyed his visit to Lindsay immensely.

Hand over keys to C of C car

At a ceremony in the foyer of the Century Theatre Monday afternoon, Mayor Lloyd Burrows handed over the keys of the Austin-Lexus sports car to Dr. W. L. Broadfoot.

Dr. Broadfoot held the winning ticket of the draw sponsored by the Lindsay Chamber of Commerce for the car. The draw was made Christmas Eve.

The doctor drove the car away through the slush and snow of Kent Street, watched by Chamber manager J. Giblinson, Messrs. H. Houzer, D. Scott and the Mayor.

Mr. Gibson could give no details of how many tickets had been sold on the bank asked by a "Post" reporter. The system in the building when the Ross Newton Ltd. vacated it with the result that it went on the fire.

Justice slow but sure

Justice is slow but sure in Mito, Japan. In 1947, 19-year-old Shozo was returned to Japan before a summary court on suspicion of theft He was allowed to return home.

In 1949 Shozo was again called to the court to be fingerprinted. Again, he was allowed to return home.

In 1954, he made another appearance before the court on the theft charge... and, and the prosecutor decided that Uno... now 31-years-old—was innocent. (UPI)
